Our Prize Contest.

I have decided to discontinue the prize contest which was advertised in our January number for a few months. In the course of three or four months I expect to advertise it again. All who answered the first contest will receive a postal giving them permission to send in another list of words without the subscription money. The paper will be sent from now on and their name and address will be inserted in our Stamp Collectors' Directory.

If the above is not satisfactory the subscription money will be returned if desired.

News In Brief.

A new paper has been started in England called the "Stamp Auction Reporter" devoted only to stamp auctions.

Mr. Jos. F. Beard, of Muscatine, Iowa, was recently quietly married to Miss Kate E. Berly, a charming young lady who has been with him in the stamp business.
