

Every Farmer knows that the DeLaval Cream Separators are in a class by themselves as the best separators

☞ But many have the mistaken idea, which would - be - competitors help to magnify, that they are "expensive" and that something "cheaper" will do in their stead.

The Facts are that the DeLaval Cream Separators are not only the best but at the same time by far the cheapest

—in proportion to the actual capacity and the actual life of the machine.

☞ These are simple facts easily capable of proof to any buyer who will take the trouble to get at them and who need only apply to the nearest DE LAVAL agent or send for a catalogue to do so.
