

It Will Save Your Life.

Everybody knows the symptoms attending coughs and colds, but the dangerous character of these ailments is not so well understood. When a cold settles upon the lungs, if the blood is tainted with Scrofula, or the system is weak, Catarrh or Consumption is sure to follow. Ayer's Cherry Pectoral is the only remedy that may be uniformly relied upon for the cure of coughs and colds. J. J. Rawson, Buckingham C. H., Va., writes: "For several weeks I suffered from a frightful cold, with cough and frequent

Catarrh prevails in this country to an alarming extent. It is a troublesome and disgusting disease, usually induced by neglected colds, and, if allowed to become chronic, produces Bronchitis, and often terminates in Consumption. Ernest H. Darrah, Tollesboro, Ky., writes: "A year ago I was afflicted with Catarrh. One bottle of Ayer's Cherry Pectoral cured me." Miss Eva A. Hall, Ipswich, Mass., writes: "For any one who is troubled with Catarrh, there is nothing so helpful as Ayer's Cherry Pectoral.

Spitting of Blood.

Ayer's Cherry Pectoral cured me entirely." Mrs. R. Campbell, Woodville, Ont., writes: "I was troubled, for five years, with an affection of the throat and lungs, coughing severely the whole time. I used different preparations, and was treated by several physicians, without effect. I finally tried Ayer's Cherry Pectoral, and before finishing one bottle was completely cured." Dr. W. K. Gann, Monticello, Ky., writes: "I have been troubled with Bronchitis, since early youth, and am now 37 years of age. I owe my life to Ayer's Cherry Pectoral." Dr. J. H. Quirk, Fulton, Kans., writes: "Ayer's Cherry Pectoral saved my life twenty years ago. It is a favorite medicine in my family."

It Cured Me

of this troublesome complaint, when other remedies afforded no relief." Dr. F. Schley, Frederickstown, Md., writes: "In pulmonary cases, of an acute character, or, of catarrhal origin, I find Ayer's Cherry Pectoral invaluable." Dr. F. E. Pape, Sandusky, Ohio, writes: "I have used Ayer's Cherry Pectoral in my practice, and, in connection with Ayer's Pills, find it an invaluable remedy for colds, coughs, and the inflammations that follow them upon the throat and lungs. We have no other remedy which I consider so sure in its effects." C. H. Pierce, Moline, Ill., writes: "Catarrh had nearly destroyed my sense of taste and smell. Ayer's Cherry Pectoral effected a complete cure."

Ayer's Cherry Pectoral

Has effected many wonderful cures. Mrs. Mary K. Whitcomb, Hartford, Conn., writes: "Some years ago my mother had an obstinate cough, with severe pains in the chest, and several attacks of bleeding from the lungs. She was very much reduced in strength, and believed herself about to become a victim of Consumption. While in this condition, she was strongly recommended by Rev. Dr. Blanchard, of Lowell, Mass., to make a trial of

Ayer's Cherry Pectoral.

She did so, and by its use was restored to perfect health. Since her recovery the Pectoral has been her sole dependence for colds, coughs, and all similar troubles, which it has never failed to cure."
