

THE CHURCH ABROAD.

Rev. O. J. Cowan of Morebattle has gone to the South of France for two or three months to recruit his health.

Perth Presbytery approves of the notion of the town council for the closing of ice-cream and other shops on the Sabbath.

Sheriff Cowan has given notice of an overture in Paisley presbytery in favour of private administration of the Lord's Supper.

Rev. James Gilroy, M.A., B.D., has been appointed to the chair of Hebrew and Oriental languages in Aberdeen university. He is a native of that city and is thirty-five years of age.

The Presbytery of Raphoe, at its meeting held on the 12th ult., unanimously nominated the Rev. Dr. Buick for the Moderator, ship of the General Assembly, and the Rev. Matthew Neill of Sion, for the Moderatorship of Synod of Derry and Omagh.

We regret to announce the death of the Rev. John Monteith, senior minister of Donemana Presbyterian Church. He was ordained in Donemana 1833. In 1873, he resigned the active duties of the ministry. Mr. Monteith, owing to the state of his health, had resided for some years in Jersey, where he passed away at the ripe age of 86 years.

In the ballot for private members' bills Mr. Gilbert Beith is the only Scottish member who has secured a good place (eleventh), and he is expected to use the opportunity to push forward a Local Veto measure for Scotland.

Rev. G. Kilgour Green, M.A., Presbyterian church, Kendal, son of Rev. George G. Green, M.A., Glasgow, was married in Edinburgh recently to Miss Mary Letitia Mason, elder daughter of the late Rev. James Mason, M.A., Amoy, China.

The new church in Alexandra-parade, Glasgow, for Frederick-street congregation, was opened on 31st ult. by Rev. Dr. Oliver, moderator of synod, and the services on Sabbath were conducted by Rev. Fergus Ferguson, D.D., Rev. W. R. Thompson, B.D., and Rev. D. W. Forrest, M.A., The building, which is of red freestone, is in the Early English style, and seats 700.

APPETITE REGAINED—STRENGTH RETURNED—DISTRESSING CONSTIPATION CURED BY R.B.B.

GENTLEMEN.—For three years I have been terribly troubled with that distressing complaint, Constipation, and tried different medicines until last spring, when I commenced taking Burdock Blood Bitters, and after the use of five bottles had no more of my terrible suffering. Before I began using R.B.B. my appetite had almost gone and I was thin and very weak, but after the use of each bottle I could (and so did others) see a wonderful change in my looks, and I felt my strength returning to me.

Like a New Man

"For five or six years I had **Dyspepsia** in its worst form, sometimes completely prostrated; so much that it was impossible for me to work more than half an hour at a time. I had tried various remedies but did not receive any benefit, when I was recommended by a druggist to try Hood's Sarsaparilla. I have taken two bottles and feel like a new man. I can eat and drink anything and enjoy my food. I never felt better. I cannot praise Hood's Sarsaparilla too much for not only has it cured me of dyspepsia but also of rheumatism."
