

before presentation to the Legislature were submitted to and approved by the Governors of the College representing Montreal and Quebec. The tariff which had become law only last year was abolished, but the right to make a tariff was still possessed by the College.

The Board of Preliminary Examiners reported that the following gentlemen had successfully passed the required examination, and been admitted to the study of medicine:—Alfred Letourneau, H. Ernest Choquette, Albert Rolland, Ovide Ostigny, Charles Collet, John L. Duffett, Toussaint Charron, Charles Pilon, F. Marquis, Jules Lamberge, L. J. Hercule Roy, Alfred Poole, Alex. Boucher, A. Worthington, Charles Rochon and L. J. N. Delorme. Twenty-one candidates were rejected, three upon certain branches upon which they will again be examined next Sept., and eighteen rejected upon all subjects. The assessors of the various schools reported favorably on all the examinations. The question as to the right of Dr. Keyes, of Georgeville, P.Q., to register his Eclectic diploma, granted in 1868 by the Province of Ontario, came up for discussion. The Secretary read the opinion of the Hon. Dr. Church, Q.C., a member of the College, affirming Dr. Keyes' right to register; also an opinion obtained by the College from W. H. Kerr, Q.C., to the same effect. The subject was deferred to another meeting for discussion and action.

Mr. C. E. Lamirande, the detective officer of the College, presented his report for the past six months, showing that during that time he had taken out twenty-two actions; of these, eleven had resulted favorably to the College, four had been dismissed, and seven were still pending in court. He reported having compelled two persons to properly qualify themselves by taking out the license, and to having collected a considerable amount of arrears of annual contributions. The collection of the annual subscription was placed in Mr. Lamirande's hands. The committee to whom had been referred the charges against Dr. A. M. Ross, and who reported at the last semi-annual meeting that the Act gave them no power to act, again reported that, in accordance with the instructions given them, they had met and decided to suggest that the following be inserted in the Medical Act, with a view

of meeting such and similar cases:—"Any registered member of the medical profession who shall have been convicted of any felony in any court of law, or who shall have been guilty of infamous or disgraceful conduct in any professional respect, shall be liable to have his name erased from the register, and in case of a person known to have been convicted of felony, or who has been guilty of infamous or disgraceful conduct in any professional respect, shall present himself for registration, the Registrar shall have the power to refuse registration. The Provincial Medical Board may, and upon application in writing of any three registered members of the profession in this province, shall cause enquiry to be made in the case of any person alleged to be liable to have his name erased from the register under the provisions of this section, and on proof of such conviction or of such infamous or disgraceful conduct as aforesaid, shall cause the name of such person to be erased from the register."

The following gentlemen were appointed a committee to arrange a new tariff of fees, and to be ready to report at the September meeting of the College: Drs. Lemieux and Parke (Quebec), Dr. Lachapelle and F. W. Campbell (Montreal), (Dr. Perreault (Longue Pointe), Dr. Prevost (St. Jerome), Dr. Ladouceur (Sorel), and Dr. Worthington (Sherbrooke).

The President suggested that it would be well to confine the new tariff to a few items, and to have the fees for operations, &c., left a matter for arrangement between physician and patient.

The following women, after examination, were found qualified and received the Midwifery Diploma of the College: Mrs. Mary Davies, Mrs. Mary Bohme, Mrs. Jessie McNab, Mrs. Margaret Miller, Mrs. Elizabeth Sutherland, Mrs. Sophie Husson, and Miss Emily Harris.

The following gentlemen presented diplomas from the Universities named, and after being sworn, received the license as member of the College:
