

PUBLISHER'S DEPARTMENT.

W. A. Ward, M.D., New Edinburg, Ark., says: I have used aletris cordial in threatened miscarriage, in several instances with the best results; one case in particular, the lady was of nervous temperament and very easily excited, but by giving celerina combined with aletris cordial, for a short time, she passed over it safely. I am of the opinion that any physician prescribing aletris cordial, in such cases as it is indicated, will not be disappointed in the result.
