HAMILTON, ONT.

WISH to call the attention of the Retail Druggists to the fact that I have been elected the Sole Agent of the concern of D. RANSOM, SON & COMPANY, for the Dominion of Canada

and Great Britain, and manufacture the following preparations: Ransom's Hive Syrup, Trask's Magnetic Ointment, and Ransom's King of the Blood. I am desirous of securing the co-operation of the Retail Druggists, and to that end I beg to ask all who are interested in these preparations, and wish to secure advertising matter, to write to me for my special offer. It is my purpose to advertise extensively, thereby enhancing your sales. I am sure we can be of much service to you. These preparations have been upon the market in the neighborhood of about 50 years. They are true and trustworthy, and the Druggist that recommends them is sure to give his patrons the very best remedies that are upon the market. We believe "The laborer is worthy of his hire, and the merchant of his profits," and to that end we ask to be put in direct touch with the retailer himself.
