As it seems to be pretty well understood that we have a hot summer before us, we would say to all anxious mothers that Nestle's Milk Food is an excellent preventa-tive of cholera infantum and all summer comptaints so common to children.

Among the vegetable curiosities of Florida are soap trees. They are prolific fruiters, the berries being the size of an ordinary marble, having a yellowish soapy appearance, with a hard black seed. Parties there boil the fruit to make soap, but in China and other tropical countries, the berries are used as a substitute for soap, just as they are taken from the

SCOTT'S EMULSION OF PURE COD LIVER OIL, WITH HYPOPHOSPHITES, as a cure for Marasmus in Children. Wm. Farr, of Brooklyn, L. I., says: "On the recommendation of my physician, Dr. Wm. Vyse, I have given my boy who was dangerously ill of Marasmus, your Emulsion, with ex-cellent effect, and he is at present as hale and hearty as can be wished."

If farmers and others continue to buy dust and ashes put up in big packs and sold for condition powders it won't be our fault. We have exposed the swindle time and again. Sheridan's Powders are the only kind we know of worth carrying home.

Estev's Iron and Quinine Tonic works like magic, reaching every par of the human body through the blood giving to all renewed life and vigor.

Now is a good time to take Estey's Iron and Quinine Tonic, so that the system may be strengthened and the blood purified to withstand the debilitating effects of the warm summer weather.

# Extracts from a Letter from C. H. S. Cronkhite, Esq.

Canterbury Station. York Co., N.B., October 10th, 1876. Mr. J. H. Robinson,

Dear Sir,—In reply to your letter of enquiry, I would say that your Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of Au-gust, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can testify.

I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night, and eat as much as any lumberman. Have not bled any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sick; have also gained in flesh, my weight in the summer was 173 lbs. and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement

which I am prepared to swear to, and I hereby authorize you to give it publicity umy name.

I am, dear sir, truly yours Signed) C. H. S. CRONKHITE. (Signed) C. H. S. CRONKHITE. We, the undersigned, hereby consent to have our names published as witnesses to the effects of Robinson's Phosphorized Emulsion on the person of Mr. Gronkhite and do assert that the foregoing statement is correct in every particular.

#### KIND WORDS.

WEYMOUTH, N. S. Dear Sir .-- I have used your Emulsion

myself, and so have members of my family, and must say with signal benefit. Soon after taking it one is sensible that the article is not a "bogus" preparation, but all that it claims to be.

I am 62 years of age, undertaking the performance of three full services each Lord's day, besides week-day dutes, and I am occasionally greatly indeted to your Emulsion for the tone and vigor in which I am able to go through the physically oppressive duty.

I have recommended it to parties suffering from coughs, colds, debility, &c, and I am thankful to add that the results have, in every instance, been most beneficial.

Wishing you all success, I am, Dear Sir, Very faithfully yours, P. J. FILLEUL, Episcopal Minister.

HALIFAX, N.S.

I cannot express too highly the high steem and great value I have formed of your Emulsion of Cod Liver Oil, &c., as prescribed by our physician, Dr. T. R. Almon, and the great benefit and service it has rendered to our babies in the Home. have found they take it without any trouble, and it does not in the least dis. agree with them; and with weak, delicate and anæmic children who do not seem to thrive, your Emulsion has acted in a most remarkable manner in restoring the little ones to health and strength; in tact our Home cannot do without it. I can, after the experience of over four years, cheerfully recommend your Emulsion to be a most valuable medicine for children, and have found it superior to any I have
