> DIET DRINK, ADAPTED TO

All Seasons and all Climates,

ESPECIALLY NEEDFUL

## spring a summer.

THIRTY YEARS of practical experience have established the fame of BRISTOL'S SARSAPARILLA as a Standard Remedy for Scrofula and all Ulcerous and Eruptive Disorders, beyond the reach of competition. The world knows that its effects in such maladies are, to

ARREST SUPPURATION, PRODUCE SOUND FLESH, COOL THE ANGRY SKIN, RESTORE THE SECRETIONS, INVIGORATE THE FRAME, PURIFY ALL THE FLUIDS,

BRACE THE CONSTITUTION. Preventing all danger from CHANGES OF TEMPERATURE, UNWHOLESOME EXHALATIONS, INSALUBRIOUS WINDS, LONG CONTINUED RAINS FIERCE, EXHAUSTIVE HEAT, AN UNHEALTHY SOIL,

DELETERIOUS WATER.

In SPRING, SUMMER, and a portion of AUTUMN the lives of thousands are in continual jeopardy from these prolific sources of disease. The best safeguard, the surest defence against them is BRISTOL'S SAR-SAPARILLA. It should be used as a daily beverage or DIET DRINK throughout the unhealthy season. Two table-spoonsful, taken in a tumbler of water three times a day, will impart a tone and vigor to the system, which will render it impervious to the disorders that usually result from the abovenamed causes. BRISTOL'S SARSAPARILLA is

indubitably
A HEALTHFUL STOMACHIC. A CORRECTIVE OF IMPURITIES, AN ANTIDOTE TO MALARIA, A PREVENTIVE OF DEBILITY, A CURE FOR EXHAUSTION. A REPELLANT OF DISEASE,

A STRONG ALLY OF NATURE.

Enabling the system to REPEL INTERMITTENT FEVERS. ESCAPE SUMMER EPIDEMICS, WARD OFF BILIOUS ATTACKS, DEFY BOWEL COMPLAINTS, PREVENT DIARRHUA & DYSENTERY, KEEP DYSPEPSIA AT PAY,

PASS THE ORDEAL SAFELY.

The public mind has been so much excited by the marvelous cures wrought by BRISTOL'S SARSAPA-RILLA, in cases of Virulent Diseases, that its virtues at a general preventive and restorative agent have been in some measure overlooked. Its tendency to recruit the dormant energies, to clear the brain, to refresh the animal spirits, to give activity to the temperament and to prolong life. It is also a reliable and speedy cure for 'those more ordinary trou-

IT CONTAINS NO MINERAL, NO POSONOUS NARCOTIC, NO CORROSIVE AGENTS, NO QUESTIONABLE INGREDIENTS, NOTHING of any DESCRIPTION BUT RARE VEGETABLE BLEMENTS,

WONDERFUL REMEDIAL POWER.

Accompanying each bottle is a series of narratives of extraordinary cures (authenticated by distinguished citizens and professional men of the highest standing) which is perhaps the most curious and interesting medical document that has been published during the present century.

WHAT ARE ITS ANTECEDENTS?

BFor twenty years it has maintained its ascendancy over all other perfumes, throughout the West Indies, Cuba and South America, and we earnestly recommend it to the inhabitants of this country as an article which for softness and delicacy of flavor has no equal. During the warm summer months it is peculiarly appreciated for its refreshing influence on the skin and used in the bath it gives buoyancy and strength to the exhausted body, which at those periods is particularly desirable,

Believing that FACTS, IMPORTANT to the HEALTH and COMFORT of the PURLIC, and which can be VERIFIED at ANY MOMENT by addressing the parties who wouch for them, ought not to be hid under a bushel, the undersigned publish below a few communications of recent date to which they invite the attention of the people, and at the same time ESPECIALLY REQUEST all readers who may feel interested in the subject to ADDRESS the individuals themselves, and ascertain the correctness of the particulars.

## HOSTETTER'S CELEBRATED

STOMACH BITTERS.

Brooklyn, N.Y., May 22, 1863.

Messrs. Hostetter & Smith: Gentlemen-I have used your Bitters during the last six weeks, and feel it due to you and to the public to express my hearty approval of their effect upon me. I never wrote a 'puff' for any one, and I abbor everything that savors of quarkery. But your Bitters are entirely removed from the level of the mere no trums of the day, being patent alike to all, and exactly what they profess to be. They are not advertised to cure everything, but they are recommended to assist nature in the alleviation and ultimate healing of many of the most most common infirmities of the body, and this they will accomplish. I had been unwell for two months, as is usual with me during the spring. I was bilious, and suffering from indigestion and a general disease of the mucuous membrane, and though compelled to keep at work in the discharge of my professional duties, was very weak, of a yellow complexion, no appetite, and much of the time confined to my bed. When I had been taking your Bitters a week my vigor returned; the sallow complexion was all gone-I relished my food, and now I enjoy the duties of the mental application which so recently were so very irksome and burdensome to me. When I used your Bitters, I felt a change every day. These are facts. All inference must be made by each individual for himself.

Yours, respectfully, W. B. LEE, Pastor of Greene Avenue Presbyterian Church.

Stomach Bitters.

Prospect Cottage, Georgetown, D.C., April 2, 1863. Messrs. Hostter & Smith: Gentiemen—It gives me pleasure to add my testi-monial to those of others in favor of your excellent

preparation. Several years of residence on the banks of a Southern river, and of close application to literary work, had so thoroughly exhausted my nervous system and undermined my health, that I had be-come a martyr to dyspepsia and nervous headache, recurring at short intervals, and defging all known remedies in the Materia Medica I had come to the conclusion that nothing but a total change of residence and pursuits would restore my health, when a friend recommended Hostetter's Bitters. I procured a bottle as an experiment. It required but one bottle to convince me that I had found at last the right combination of remedies. The relief it afforded me has been complete. It is now some years since I first tried Hostetter's Bitters, and it is but just to say that I have found the preparation all that it claims to be. It is a Standard Family Cordial with us, and even as a stimulent we like it better than anything else; but we use it in all nervous, bilious and dyspectic cases, from fever down to toothache. It what I have now said will lead any dyspeptic or nervous invalid to a sure remedy, I shall have done

I have used and sold hundreds of preparations, but your Bitters are superior to anything of the kind I am cognizant with. Indeed, no soldier should be without it, should be be ever so robust and healthy, for it is not only a restorative, but a preventative for almost all diseases a soldier is subject to. I have been afflicted with chronic indigestion and no medicine has afforded me the relief yours has; and I trust you will lose no time in sending the Bitters or-
