### THE ONLY ONE—

There is one, and only one publication devoted to Credit Men and their peculiar interests. It was launched in 1892 and has never varied its original purpose—that of serving the credit men of the country. It is not a publication of diversified and scattered interests with a "Credit Man's Department," it is **THE CREDIT MAN'S MAGAZINE** first, last and all the time. If you are a credit man it's likely you are already a subscriber (most of the credit men are). If, however, you are not on the list, send for three sample copies and terms. (Mention *Monetary Times*.)

**THE LAWYER & CREDIT MAN**  
150 Nassau St., New York City.

### Accountics: The Office Magazine

**E**ACH issue of *The Office Magazine* contains information worth more to the office man than many times the subscription price per year. Practical business subjects are discussed by progressive business men in all parts of the country, so that there is presented to the reader each month a consensus of the ideas, methods and opinions prevailing in the best modern business establishments. The examination of a sample copy will demonstrate its value to you. **Monthly, \$1 a Year; sample copy free.**

## BAND AND CIRCULAR RE-SAWS

are a necessity in a saw mill. They increase the capacity of a mill one-third when logs are small, by slabbing heavy and re-cutting all slabs on re-saw, using a 19-gauge blade.

They make two plump boards out of a bad face deal.

Transfers supply them and not over four extra men required to run one.

If some large mills can use three and four, you can surely find one profitable. Will be pleased to send you particulars and prices.
