24. This sum for the construction of a new hospital at the University of Toronto is estimated at \$2,500,000 on a preliminary basis. It will be used to purchase the land, to construct the building and to purchase the necessary equipment. The total cost of the project is estimated at \$3,000,000. The Government of Canada is contributing \$1,000,000 to the project. The remaining \$2,000,000 is to be provided by the University of Toronto.

25. This amount is supplementary assistance to the Government of the Republic of the Congo. It is intended to help the Government to meet its financial needs. The amount is \$1,000,000. It will be used to purchase the necessary equipment and to provide technical assistance to the Government.

26. This consists of an amount of \$2,000,000, plus a special grant of \$2,000,000 for the annual meeting of the United Nations Conference on Disarmament. The total amount is \$4,000,000. It will be used to purchase the necessary equipment and to provide technical assistance to the Conference.
