MOTION FOR CONCURRENCE IN SUPPLEMENTARY ESTIMATES (B)

Hon. Mitchell Sharp (for the President of Treasury Board) moved:

That supplementary estimates (B) 1974-75, laid upon the Table, Friday, November 22, 1974, be concurred in.

Mr. Speaker: Is it the pleasure of the House to adopt the said motion?

[The Acting Speaker (Mr. Penner).]

Some hon. Members: Agreed.

Motion agreed to.

Mr. Sharp (for Mr. Chrétien) thereupon moved that Bill C-42, for granting to Her Majesty certain sums of money for the public service for the financial year ending the 31st March, 1975, be read the first time and printed.

Motion agreed to.

Mr. Sharp (for Mr. Chrétien) thereupon moved that Bill C-42, for granting to Her Majesty certain sums of money for the public service for the financial year ending the 31st March, 1975, be read the second time and referred to the committee of the whole.

Motion agreed to, bill read the second time and the House went into committee thereon, Mr. Laniel in the chair.

Clause 2 agreed to.

The Chairman: Shall clause 3 carry?

Mr. Fortin: On division.
Clause 3 agreed to on division.

The Chairman: Shall clause 4 carry?

Mr. Fortin: On division.

Clause 4 agreed to on division.

On clause 5—Power to raise loan of \$2,500,000,000 for public works and general purposes.

Mr. Lambert (Edmonton West): Could I ask the Minister of Finance to tell us the exact purpose of clause 5 which is in addition to the usual form of an appropriation bill? We are now being asked to approve the granting of additional authority to the Governor in Council to borrow sums of roughly \$2.5 billion, as I read it. There may be a valid explanation, but I think it should be on record.

Mr. Turner (Ottawa-Carleton): The hon member is very observant, as usual. The reason we need extra borrowing authority is because of the extra liquidity given to us as a result of the very successful Canada Savings Bond campaign.

The Chairman: I wish to bring it to the attention of the committee that I thought the hon. member for Edmonton West was rising on a point of order. By virtue of an order of the House which has been accepted we are to dispose of this bill without debate. Thus, I consider the question raised by the hon. member for Edmonton West to be a point of order, and I will recognize the hon. member for Lotbinière (Mr. Fortin) in the same way.

[Translation]

The hon, member for Lotbinière.

Mr. Fortin: Mr. Chairman, I rise on a point of order. I did not hear clause 5 was carried and I had a question for the Minister of Finance concerning the proposed interest rates on the \$2.5 billion bond issue.

The Chairman: Order. The chair is in a somewhat awkward position. The House instructed the committee to
