President Frank Pierrepont Graves,
The University of the State of New York,
Albany, New York.

Dear President Graves:-

I am in receipt of your letter of October 30th addressed to Sir Arthur Currie, advising him that the Regents of the University of the State of New York have conferred the honorary degree of Doctor of Laws on the Honourable Owen D. Young.

I regret very much to say that Sir Arthur has been in poor health for some time and is at present recuperating in England. He will not return to Montreal before the middle of January, but, as I know he would wish to welcome Mr. Young to the small group of honorary graduates of the University, I am forwarding your letter to him.

With kind regards,

Yours very truly,

Acting Principal.
