Toronto, Ont.

Dear Mr. Wetherell:-

Please accept my sincere thanks
for your great courtesy and kindness in sending me
four copies of your "Fields of Fame".

I have always regarded it as a
great compliment that the book was inscribed in my
honour and I shall have much pleasure in placing a
copy in the Library and passing the others on to
members of the staff.

I hope, Sir, that you are
enjoying the best of health and that you have plenty
of leisure for writing.

Trusting that I may meet you
again shortly, I am,

Yours faithfully,
