

EXEMPTION REFUSED TWO INSTRUCTORS

Only Twenty Out of Seventy-Six

Granted.

Toronto exemption tribunals dealt with the cases of 78 men yesterday, granting exemptions to 72 of them and refusing the other six applications. Thomas Cowling gave four reasons for his exemption: Being a dental surgeon, a dental professor, examiner Toronto University and contributing editor of Oral Health, The Royal College of Dental Surgeons also wrote to the tribunal stating that he was professor of metallurgy and associate professor of chemistry, that he was absolutely necessary, and could not be replaced. In view of this the court refused to grant him exemption from military service. James A. Macdonald, chief dispensing and manufacturing chemist for Toronto General Hospital and instructor in pharmacy in Toronto University, was also refused exemption.

Give a dollar

TODAY is the last day of the canvass being made to raise \$500,000 in Toronto for the Red Triangle Fund. While many have given, and given generously and promptly, many more can give and should give. The per capita assessment for Toronto is an even dollar. One dollar counts big; it provides the ministry of the Y. M. C. A. for 50 men for a single day.

If you saw 50 men sitting in a "Y" hut writing letters home, and reflected that these fifty men were there and writing letters because of your gift of \$1, you would gladly give a dollar.

If you saw 50 wounded men returning from the battlefield in charge of Y.M.C.A. men, and aided by them, you would be glad to give the dollar that makes this service possible.

If you saw 50 men engaged in games to recreate themselves for the fighting that lies ahead, or to restore themselves after a long period of strain, then you would gladly give the dollar to pay for this opportunity for recreation.

But do not stop at a dollar if you can give \$5, or \$10, or more. Every dollar does big work. This is the main thing. If no one calls on you today, or it suits you better, give in your money to headquarters—14 King St. East—the headquarters.

PRESENT MEDALS FOR HONORS WON

Duke of Devonshire Officiates
at Interesting Ceremony
in Queen's Park.

Seventeen medals were presented by his excellency the Duke of Devonshire, in some cases to those who had earned them, but in the majority to the next of kin, for the winners will not receive mortal praise for their gallantry, playe steps of the parliament buildings yesterday morning. Three thousand troops from Exhibition Camp, formed three sides of a square in the centre of which were seated those to whom the medals were to be awarded.

On the right of the duke sat her excellency the Duchess of Devonshire, Lady Blanche, Lady Hendrie and Miss Enid Hendrie. Others in the company included Sir William Hearst, Hon. T. W. McGarry, Hon. I. B. Lucas and Mrs. Lucas, Hon. Finlay Macdonald, Hon. W. D. Morrison, Col. H. C. Blackford, district commandant; Mayor Church, Controller O'Neill, Maguire, McBride and other prominent citizens.

As each recipient was given the award, his excellency spoke a few words of sympathy and encouragement, and in concluding the ceremony said: "As the representative of the King, it is a great honor to present these medals for war service. I would ask you who have lost loved ones to accept of my sincerest sympathy. They have given their lives for the noblest and most sacred cause, and remembrance of that will always be a comfort to you in your sorrow. Their names are written on the roll of imperishable fame that will be handed down to future generations as a priceless national asset."

"I would like to see the service you have rendered, and I hope you will live long to look back upon the part you have played in the greatest struggle the world has ever known."

Simcoe Soldier's Deed.
The Victoria Cross won by a Simcoe, Ont., soldier, Sergt. Frederick Hobson, was given to his sister, Miss Florence Hobson, 55 Beverley street, Toronto. It was for most conspicuous valor and devotion to duty in action north-west of Lens on August 16, 1917. A Lewis gun was buried by shell and its crew killed, with the exception of one man, Sergt. Hobson, who rushed forward and held the enemy back single-handed until killed by a time to again put the gun in action. A most serious situation was saved, and when the trench was cleared it was found that 15 of the enemy dead were lying about him.

Dr. G. N. Carbert received the Military Cross on behalf of his biographer, Capt. C. M. Carbert, 20th Battalion, Mrs. T. E. Patterson, Harley, Ont., for her brother, late Lieut. Alva E. Metcalfe; a distinction conduct medal was presented to Mrs. J. J. Redge, 75 Leuty avenue, on behalf of her son, late Lance Sergt. C. Routledge, 4th C. M. R.

Military Medals were awarded as follows: Lance Sergt. J. Pettit, 10th Battalion, recipient, J. Pettit, brother; late Sergt. F. G. Aldridge, 11th Battalion, recipient, Mrs. Nellie McCarthy, wife; late Pte. William A. Munro, 123rd Battalion, recipient, Mrs. Gorman, mother; late Pte. E. H. Lewis, 50th Battalion, recipient, Mrs. William Lewis.

Pte. Hugh Graham was the only survivor to receive in person the Military Medal, and as he stepped forward he was generously applauded.

Russian Honors Bestowed.
To the following the Russian Cross of St. George was presented in person: Pte. Frank Puchke, 21st Battalion, 111 John street; Pte. Edwin Steele, 14th Battalion; Pte. Norman D. McEwen, 44th Battalion; Lance-Corp. William Hunter, 26th Battalion; Lance-Corp. J. Vincent, 46th Battalion. To Mrs. McRae was given the award won by her husband, Pte. John McRae.

When the service for which the medals were awarded was read the crowd displayed with a little display of enthusiasm, but the sympathy with those who were mourned soldier sons or husbands to permit of more than this recognition. A gold of honor was furnished by the C. O. T. C. under command of Major Needler.

Following the presentations, his excellency and party visited Hart House, a number of munition factories, and in the afternoon motored to Wabigo to inspect the military hospital there.

LEND VACANT LOTS TO PRODUCE FOOD

If you own a vacant lot anywhere in Toronto and you are not going to grow vegetables on it yourself, loan it to the organization of resources committee who will put it under cultivation immediately if suitable. Of course, if you wish to sell the lot or build on it before they take off the crop in the fall they take the risk of losing the crop. So, then, if you have a lot to write and tell them where it is and what size it is, and give them permission to use it. Address, Organization of Resources Committee, 15 King street east, Toronto.

FOLKS EVEN OVER SIXTY MUST ALSO REGISTER

An erroneous impression regarding the coming man and woman power registration, which the Toronto board of registrars desires to correct, is the belief that individuals above 60 years of age will not be required to register. The law requires every person over the age of 16 years to register. In the event of a person being too old to journey to the registration booth, or of being sick in bed, the district registrar or central office at Gerrard and 205 should be notified in advance. A 205 should be notified in advance. The assistant registrar will then be delegated to visit the person and register him at his place of abode some time during the week previous to registration day. It is desirable that every one over the age of 16 understand the necessity of registering.

The Toronto Women's Patriotic League and the Toronto branch of the Belgian Relief Commission have offered their premises as registration booths, and a sufficient number of their members as assistant registrars. It is expected that practically every woman's organization in the country will make similar offers. Much progress in this direction will likely be made at the women's mass meeting in Central Y.M.C.A. tomorrow afternoon.

Dr. Locke, chief librarian, the chief of police and the fire chief have been asked for the use of libraries, police stations and fire halls respectively as registration booths.

FALL WHEAT KILLED.

That not more than 10 per cent. of the fall wheat sown will yield a crop, is the statement of C. E. Bailey, assistant deputy minister of agriculture, after an extensive trip through the counties of York, Simcoe and Peel, covering 225 miles. This is because of the poor weather conditions and the lateness of sowing.

RECENT BUILDING PERMITS.

The city architect's department reported a permit for a \$50,000 warehouse for G. Menzies, to be erected on the site of 485 West Wellington street. This permit was issued on May 6. Other permits recently issued were additions to the British Forgings, limited, amounting to \$70,000; two detached brick dwellings at the corner of Mount Pleasant road and Sheldrake avenue, costing \$40,000 each, and a dwelling house for A. J. Samagan at 165 Kingswood to cost \$4,000.

MAYOR WILL HEAR CIVIC DEPUTATION

Mayor Church at yesterday's session of the board of control stated that he would always be in favor of meeting any deputation from the civic employees, but that he would not favor the appointment of a board of conciliation. Later in the day he stated to a reporter that he had arranged to have the deputation from the civic employees meet the board of control Wednesday afternoon. He was not only invited but also invited to hear the deputation and discussing their grievances.

"So far as the statements of Mr. Kennedy are concerned," said the mayor, "I do not recall ever having spoken a word to him upon this or any other matter."

Neither Controller Robbins nor Controller O'Neill were present at yesterday's session of the board.

ST. MICHAEL'S NURSES ARE GIVEN DIPLOMAS

In the unavoidable absence of Archbishop McNeil, the diplomas and medals were distributed yesterday afternoon to the 25 graduating nurses of St. Michael's Hospital by Rev. Father Cline. The interesting ceremony was held on the roof of the hospital and was largely attended. The class of 1918 in their spottish white uniforms were an attractive feature of the gathering, seated behind the barricades of varicolored flowers, the many offerings of friends. Dr. Dwyer presided and Rev. Father Cline, in offering congratulations, exhorted the class to always uphold the traditions of their alma mater. Father Bench pointed out that in modern times the mission of the nurse was not only to nurse the sick, but to instruct the public in the causes of disease and how they might cure themselves. Messrs. M. J. Haney and E. Hayes, members of the board of governors, and Dr. Silverthorn also said a few words of congratulation. Miss Mary Gallagher, Stratford; Miss Margaret McCauley, Frankford; Miss Anna E. Dizzy Spells, Indigestion

Napanec Man Could Scarcely
Walk at Times, He Was So
Dizzy - Indigestion and
Kidney Trouble Overcome
By This Treatment.

Napanec, Ont., May 8.—The experience of Mr. Nolan of this town will interest all who suffer from indigestion and accompanying derangements of the liver, kidneys and bowels. Indigestion is such a common trouble that many suffer for years without knowing how readily they could obtain relief by using Dr. Chase's Kidney-Liver Pills to arouse the action of the liver, kidneys and bowels, and thereby remove the cause of much discomfort and suffering.

Mr. John P. Nolan, Dundas street west, Napanec, Ont., writes: "For some time I was troubled with weak kidneys, and used to have a scalding, burning sensation in my stomach. This was accompanied by dizziness, and occasionally it would be so severe that I would stagger while walking. I commenced using Dr. Chase's Kidney-Liver Pills, and in a very short time my kidneys were in normal condition. Then I tried Dr. Chase's Nerve Food for the dizzy spells, and am glad to say that under this treatment they gradually disappeared. At present I am enjoying good health, and am pleased to recommend Dr. Chase's Kidney-Liver Pills and Nerve Food."

This statement is endorsed by S. Casey Denison, Mayor of Napanec. Dr. Chase's Kidney-Liver Pills, one pill a dose, 35c a box, at all dealers, or Edmondson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.
