It's only natural that when a woman finds a remedy which relieves her pains and aches, restores her health and strength, puts color in her cheek and vitality in her whole system, she should be anxious and desirous to let others

know about it. Mrs. R. V. Thompson, who resides on Archibald St., Moncton, N. B., tells the following story:—"My heart was in a very weak condition, and I was troubled with starting pains through my left side, which sometimes almost took my breath away. I doctored a great deal and had advice from the best physicians, also took many remedies, but they only gave me disappointment. From the very first Milburn's Heart and Nerve Pills gave me relief. My appetite improved, I gained in strength every day and now feel restored to perfect health. My heart now acts regularly and naturally, and the feelings of nervous anxiety have entirely gone away."

THE STANDARD FUEL COM PANY OF TORONTO. Limited.

At a first glance the idea of "pianos by mail" may seem rather startling, but we mean just what we say.

Many intending purchasers who live at a distance from Toronto object to purchasing from canvassers, and yet do not care to spare the time or money necessary to visit Toronto.

To all such we would say, "Write us and give us some idea of what you need." Give us an idea of the price you care to pay and the method of payment you would prefer. We will then send you catalogues and quote you net prices, After hearing from you again we will make a careful selection and send you a piano, freight prepaid. If you like it on arrival you will remit us the money or send us the notes. If you do not like it you can send it back and we pay the freight both

By this means you save all trouble, risk and expense, and we will give you the benefit of the salesman's salary and travelling expenses, which would otherwise be incurred.

You can leave yourselves safely in our hands. We have had 26 years' experience. We make the best Canadian Piano, the Mason & Risch, and we are also sole agents for the Chickering Piano-the oldest in America-the best in the
