Lothrup, Minn., Oct. 7 .- At 3:30 yesterday afternoon it was learned that Gen. Bacon and his small band of 70 or 72 men were still fighting on Bear Island, but it cannot be learned what the outcome of the fighting had been

An attempt was made to land on the island and rescue the wounded soldiers and get the bodies of the unfortunate bluecoats who were killed. This atfour bodies were recovered, and nine soldiers who were wounded were rescued, but the citizens were driven to the boat, and the boat driven from the

They are reported to be well armed and going north at a rapid rate. They will probably reach Leech Lake, and Bear Island, by this morning. OTHER INDIANS RISING.

The inhabitants at Walker, Lothrup and Hachensack, Minn., are terrified beyond measure, and are armed as far as arms and ammunition are procurable. Little sleep is taken by the majority of the citizens. Since the upris-ing of the Bear Island Indians, the Indians at the Leech Lake agency remained quiet up till yesterday, but word arrived last night from the agency that the Indians have broken out,

A special train, with 215 of the Third Infantry, from Fort Snelling, under command of Lieut.-Col. Harbach. of the department of Dakota, arrived in Walker at 3 o'clock yesterday afternoon. Another special train left Brainerd last night with 200 or 250 more soldiers. Inspector Tinker expresses the opinion that with 500 soldiers the Indians will be subdued, but thinks there will be bloodshed, and maybe lots of it.

During their incarceration there was intense excitement among the Indians, and many threats of a rescue were freely

The workmen of the town of Bolton, Lancashire, struck work yesterday in spite of the threats of their employers, in order to go to Barnum's circus. The result was that work in many fac-

Reiterated Reports of the Poisoning of China's Sovereign.

The Kaiser Sends a Warship to the Celestials' Capital.

London, Oct. 7.-The Pekin correspondent of the Daily Chronicle telegraphing yesterday, says: "The emperor has been poisoned in the palace. "Rioting was resumed, and five Chinese were killed.

"The attacks upon Europeans continue."

The Chinese embassy claims to be in receipt of a dispatch from Pekin saying that the greatest harmony prevails between the emperor and the dowager empress. The dispatch adds that the latter, seeing the danger of rushing sweeping reforms, consented to advise the emperor in the general management of affairs, and as to the best way of introducing reforms.

Continuing, the dispatch says circumstances have shown it to be necessary that six councilors who were urging the emperor to undertake inopportune reforms be put to death. After referring to the punishment of the others, the dispatch says that since his dismissal from the Tsung Li Yamen, Li Hung Chang has abstained

from participating in public affairs. The German warship Kaiserin Augusta has left Kiao Chou for Taku, at the entrance of the Pei Ho River, with 20 marines, who will be sent to Pekin to act as a guard for the German legation there.

In that year he was appointed rector of Christ Church, Nouilly parish, where he remained for two years. From 1883 to 1885 he was vicar of St. Mary's, Barnstable, from which post he went to the Church of St. Martin's Palace, Norwich.
