May.

The local Collegiate have not decided yet whether they will enter the O. R. F. U. or not. They have communicated with Secretary Hewitt, stating the circumstances of the local situation and as all matters concerned with entries should have been submitted to the executive of the union tonight, it is possible that a place will be left open for the locals for a few days.

In the meantime the Collegiate squad held a workout last night at the Collegiate grounds. Twenty prospects were out under the direction of Capt. Symes and C. E. Buck and did a sharp hour of passing and kicking. The fact that only McDonald, Lawton and Lindsay remain of last year's team has had a loft to do with the indecision in entering this year in the union. However, the material available is exceptionally promising, and both coaches feel confident that a good team can be moulded out.

The owner of Aquilla Dillon, after the second heat, discovered that Esther R.'s record of 2:06¼ had been made Aug. 16 at Philadelphia and was one day too soon to retain her eligibility. His complaint was verified and Murphy's mare sent to the barn. All bets on the race up to that point were declared off. Aquilla Dillon was declared the winner of the first two heats. Slie then won the third heat and the race.

The free-for-all pace was a disappointing affair on account of the slow time. Miss Harris M., the favorite, lost it after taking the second heat from Directum J., who stood a terrific drive in the third heat.
