### DROPS DEAD WHEN SHE SEES FRIEND'S BODY IN CASKET

Lynn, Mass., May 12.—Mrs. Minnie Strain of this city dropped dead last night when she called to visit Mrs. Pearl Murray and found her body lylng in a casket. Mrs. Murray died of injuries received when she was struck by ceived when she was struck by a train. Mrs. Strain had called to inquire as to her condition. The family, assuming that she knew of the death, led her to the cas-ket without enlightening her.

King of Chicago's Underworld Is

James Colosimo Made Million in a Few Years.

the Beresina River. Betchitsa, an important Dnieper River crossing, has been captured, and serious losses have been inflicted on the soviet army. Fighting is now going on over a front of approximately 420 miles.

Northeast of Mozier the Bolsheviki have been forced across the Dnieper.

Capture of Odessa, the most important Russian port on the Black Sea, is reported. Official advices of the taking of the city have not as yet been received, the communiques dealing with the events of some days ago, apparently, as they tell of the capture of Tultschin and Bratzlau, on the Bug River, some distance north of Chita.

Chicago, May 12.—James Colosimo, a restaurant proprietor and conspicuous figure in Chicago's night life for many years, was killed yesterday in a dining-room of his cafe. The slayer fied, in addor in the rear of the room by en employee. Michael Fetrero was arrestical in connection with the shooting.

Colosimo emigrated to America penniless at the age of 18 from a small town in Italy. He is said to have made the acknowledged ruler of the south side underworld and built up considerable political prestige.

## **ALL SATISFIED WITH**

U. S. President Asked Sims To Give Judgments As His Own.

CABLEGRAM IS READ

Senate Naval Investigating Committee Hears Views of Chief Executive.

Killed In a Cafe States Senate naval investigation committee today by Secretary Daniels. It president was not at all satisfied with the way the British admiralty was directing the work of the British navy, and also indicated that Mr. Wilson could not understand why the naval and also indicated that Mr. Wison could not understand why the naval expens of Great Britain were reluctant to allow the American naval experts in Washington to tell them just how things should be done. Mr. Wilson intimated that he considered the British and expenses the considered that and expenses the considered that the considered the British and expenses the considered and expenses the considered that the considered that the considered the British and expenses the considered that the considered th inind ish naval men too prudent, and ex-en pressed surprise that "the British ad-est- miralty had failed to use Great Britain's great naval superiority effectively against the submarines." He called on Admiral Sims for comments and suggestions "based on independent thought," and without regard to

"judgments of any one on that side of the water."

The admiralty was "helpless to the point of panic" in the face of the sub-marine situation, was Mr. Wilson's opinion as expressed in the message
Many Plans Suggested. "Every plan we suggest they reject for some reason of prudence," the American president added. "In my view this is not a time for prudence but for boldness even at the cost of

great losses." conclusion, President Wilson ask-In conclusion, President Wilson ask-ed Admiral Sims to advise him as he would give advice, as "if you were running a navy of your own." Daniels also read a letter from Ad-miral Sims to Former Ambassador Page at London, written August 7, 1917, which in part said. "In this con-1917, which in part said: "In this connection I have a suggestion to make I have received word, practically directly from the president, that he was Street railwaymen have no doubt that much displeased with my reply to his they will receive the full amount of cablegram; that it did not change his opinion at all: that he regards me as

the earnings of the road would not provide 42 feet, and a passenger capacity of two. It will be fitted with a Curtis 100-horsepower engine.

Price Brothers are seeking an aerial photographer, who has done similar work at the front, to map out timber work at the front, to map out timber to horsepower the photography its limits. It is planned by the company to photography its limits from the old rate and intended to stay at work until the limits. It is planned by the company to photography its limits from the old rate and intended to stay at work until the limits. It is planned by the company to photography in the president and cut off Zeebruge as a provisioning base, Mr. Daniels said.

John Colbert, president of the union, and Ald. John Ashton, a member of the executive, both stated today that the men were confident the earnings of the road would not provided also of plans for a combined sea of provincial secretary, yesterday. A large provincial secretary, yesterday. A large of the party's future.

That was the kind of 'bold and adadacious' thing the president and the provincial secretary, yesterday. A large of the party's future.

That was the kind of 'bold and the provincial secretary, yesterday. A large of the party's future.

That was the kind of 'bold and the provincial secretary, yesterday. A large of the party's future men were confident the earnings would be considerably more than the old rate and intended to stay at work until the tailway board had had ample time to make a complete investigation.

A. B. Ingram, acting manager of the road, would make no comment on the report.

City Engineer Brazler has furnished Mr. Ingram with the city's paving program for the next five years in order that the cost of this may be reckoned in costs of operating the road. Every street on which there is a car line will.

Admiral Sims told the war," declared the secretary. "But even then, Admiral Sims said, it had not been definitely decided on by the war council, though the daring and successful attack on Zeebrugge came much later. It might have been a very different story if it had been undertaken earlier when the navy department was urging some such bold plan, all of which Admiral Sims thought "impracticable."

Scheme Impracticable.

Admiral Sims told the president he had been shown studies of the department's plan to prevent the egress of submarines, Mr. Daniels said, and that he considered the scheme impractic-

Admiral Sims' reply, said Secretary Daniels, "was a long telegram of gen-eralities of what the British admiralty

Clark observed.

In his office at the east block Sir Robert found the familiar desk covered with a huge basket of roses, maidenhair and forget-me-nots. This afternoon, it is expected, Sir Robert will be in the House.

**ANNUAL SALARY OF \$1,500** 

Toronto, May 12.—"The Methodist Church of Canada should have a minihouse. The unfortunate man was under the engine at work, and was in the act of crawling out from under the same, when an engineer above opened up. Gissetti was practically cut in two. Dr. Fissette was called in and he has ordered an inquest.

As ministers," is the statement of Rev. Dr. S. D. Chown, general superintendent of that denomination in Canada.

"The present minimum is \$1,200 and an allowance of \$150 for horse keep or automobile hire. Dr. Chown's declaration for a \$1,500 minimum is the first official intimation of what is likely to be the new policy of the church.

The present and future.

REPORT IS CONFIRMED.

Paris, May 12.—Confirmation of the reports that Odessa, Russia's most important outlet on the Black Sea, had been occupied by the troops of Gen. Petlura, the Ukrainian commander, has been received by the Ukrainian press bureau here, that bureau declared to day. mum salary of not less than \$1,500 for its ministers." is the statement of Rev. Dr. S. D. Chown, general superintend-

## AND P. S. EMPLOYEES TO HOLD A MEETING TONIGHT: STRIKE IS QUITE PROBABLE

Award of Conciliation Board Is Not Satisfactory to Men, Who May Call Strike Within Forty-Eight Hours.

That the employees of the L. and P. S. R. are highly dissatisfied with the award made by the conciliation board which had been considering their request for ductors and motormen was fair. This

higher wages is evinced by an emerg-ency meeting which will be held tonight by the men. It is the general option of the employees that the award will other classes of employees would receive on his way to England, is said to be the representative of Canada at the financial conference of the allied nations at Brussels.

WISONWASNOTAT

The men wanted a general increase of but a few cents an hour. The men wanted a general increase of fered by the company.

It is expected that some definite steps will be agreed upon tonight, and it is not at all improbable that a strike will be called immediately. Some of the men stated this morning that if a strike was to be called that no time would be less and in all likelihood all cars would.

It is expected that the award will an increase of but a few cents an hour. The men wanted a general increase of 25 cents an hour for all classes of employees, and a claim was made that the men could not work for any less. The offer that the conciliation board considered was to be called that no time would be less and in all likelihood all cars would. lost, and in all likelihood all cars would be at a standstill within 48 hours.
