

YORK COUNTY West Toronto North Toronto East Toronto

NORTH TORONTO ELECTS JAS. PEARS TO COUNCIL

Big Vote in Saturday's Contest—George H. Reed is New Inspector—County News.

NORTH TORONTO, Nov. 7.—(Special.)—One of the hottest contests in the history of the Town of North Toronto resulted in the return on Saturday of James Pears over J. W. Brownlow by a majority of 127 in a total vote of 621. It was a short, sharp contest and while the greatest enthusiasm was shown, and the vote one of the largest ever recorded, the struggle throughout was singularly free from personalities. The principals were divided on public issues alone.

Among the supporters of Mr. Pears the idea that a vote for Mr. Brownlow meant the immediate installation of the sewerage was sedulously cultivated, while a great deal of the former's strength was admittedly obtained from the small holders who have always been opposed in any event to the putting down of a sewerage plant.

Again, the ardent supporters of Mr. Brownlow were drawn into a discussion as to the relative merits or demerits of the sewerage plans, while the issue as clearly placed before the nomination meeting by Mr. Brownlow was solely as to the constitutionality or otherwise of the two members of the council in breaking the quorum. The electors by their votes have endorsed the principle of reconsidering in council their own openly expressed wish at the polls. But the vote was decisive and must be accepted as voicing the present temper of a majority of the ratepayers.

What the incoming council will do is largely a matter for speculation. Mr. Pears at the nomination meeting emphasized the need for sewerage and stated his intention, if elected, to secure the services of expert engineers to examine into the whole matter. He further pointed out the fact that connection, in the event of annexation with the city, could easily be made with the system by way of Rosedale. What plan will be followed remains to be seen.

The election of Mr. Pears breaks the deadlock which has existed since the passage of the bylaw and constitutes a majority in the council of those opposed to the general rate as against the local improvement. The whole matter will now be reopened. What action will be taken by Councillors Burnaby, Howe and Irwin, who a short time ago tendered their resignations, is not known. No meeting of the council has since been held, and the three gentlemen named have given little indication as to their future intentions.

Around town the opinion is general that the resignations will not be pressed and that they will continue to discharge their duties during the balance of the year. Town Clerk Douglas will on Monday morning make the formal declaration, and it is thought that Mayor Brown will call a meeting of council for Tuesday evening, Nov. 16.

The vote by wards was as follows:

No. 1, Eglinton, west.....68	61
No. 2, Eglinton east.....72	95
No. 3, Danville north.....28	116
No. 4, Danville south.....79	102

Majority for Pears, 127. In Eglinton Methodist Church this morning, the pastor, Rev. Mr. Balfour, gave an eminently practical sermon. In the evening he preached from the topic, "Heaven as an Incentive." At the close of the morning service the sacrament of the Lord's Supper was administered.

The condition of J. M. Whaley continues to show a fair measure of recovery. The Zion Eglinton Young Men's Club held a church parade to Zion Methodist Church to-night, where the Rev. R. C. Rolph gave an address.

Don't forget the concert in the town hall on the evening of Monday, Nov. 15, under the auspices of the Volunteer Firemen's Brigade. There will be a splendid program of music and song. A rear end collision between two south bound cars on the Metropolitan Railway took place on the Danville switch on Saturday morning. Beyond smashing the fender of one of the cars, little damage was done.

WYCHWOOD. Ornaments of St. Margaret's Adorn Suburban Parish Church. The beautiful brass lectern and brass altar rail formerly in St. Margaret's

Church, Spadina-avenue, have been presented to the Church of St. Michael and All Angels, for use in their church. This valuable gift on the part of Rev. R. J. Moore, and the wardens of St. Margaret's, is deeply appreciated by the Wynchwood congregation and adds very considerably to the furnishings of their church. A number of smaller articles were included with the above.

The Rev. Canon Cayley has also presented the brass altar desk that has been in use on St. George's altar for the past quarter of a century, for a similar use here.

EAST TORONTO. Big Questions Will Be Discussed at To-night's Meeting in Y.M.C.A.

EAST TORONTO, Nov. 7.—The ratepayers of East Toronto will meet to-morrow (Monday) evening at the East Toronto Y.M.C.A., corner Main and Gerrard-streets, to discuss improvements of which the town stand badly in need at present.

Mail boxes, single fare, the Bloor-street viaduct, and the improvement of Danforth avenue will come up. The first of the hunters has returned from Nogoosh, and from reports which have been brought in it may be expected that a large bag will be in evidence at the game supper to be held on the 25th of the month. Mr. Abbott, who was with the party that left here a couple of weeks ago, returned yesterday evening.

A few mischievous boys who are very much in need of a lesson are at work again. It is the matter of ringing in false alarms again, and it has occurred more than once in the past two weeks. It is hoped that the authorities will endeavor to put a stop to such tricks.

Wm. Anderson returned yesterday from a week's visit at Niagara Falls.

WEST TORONTO. WEST TORONTO, Nov. 7.—The inter-church athletic meet held at the Utley grounds on Saturday, was a new idea which turned out most successfully. A spirit of friendly rivalry marked the occasion and all classes of the community were interested.

As was shown by the large attendance. Next Saturday the association will conclude this year's sports with a five mile race for which a large number of entries have been already received. On Saturday about 2:30 p.m., a ten-year-old boy named Fred, Gracey sent in a false fire alarm from box 10. He was arrested and taken to the Children's Shelter. This is the same lad who on Aug. 6, 1908, accidentally shot and killed his little playmate Howard Sharpe of Marie-street, while the two youngsters were amusing themselves with an old rifle.

Hardly a week passes without accidents being narrowly averted at Royce-avenue crossing, which has become known as "The death trap." On Friday evening two ladies barely escaped being struck by an eastbound train which came along just as a west bound one was passing.

Edith Agnes, the three-year-old daughter of Mr. and Mrs. Thomas Daughton, 22 Wilson-place died this morning.

There was a large attendance at the commission service this morning in High Park-avenue Methodist Church. The sermon was preached by the pastor.

The opening Gospel Temperance meeting of the season was held in Joy's Wonderful Theatricals this afternoon. Aid. Baird presided and Rev. H. R. Nobles, B.A., of Christie-street Baptist Church gave a splendid address on "Citizenship." The meetings will be continued through the fall and winter.

GEORGE H. REED GETS IT. Warden Henry on Saturday officially confirmed the appointment of George H. Reed, principal of Markham High School, to the position of inspector of public schools in South York in succession to the late Mr. Fotheringham. The appointment carries with it a salary of some \$1600.

The new inspector has occupied his present post as principal of Markham High School for 20 years, and prior to that time was for one year principal of Bradford High School, and later was for six months principal in Napanee Collegiate Institute. For four years he taught in a public school in Bruce County. He is a native of Belleville, about 50 years of age, prominent in Methodist Church circles, and has shown himself a progressive educationalist.

A man of broad and liberal views his removal from Markham High School will be a distinct loss to that institution. The appointment is provisional upon the acceptance by the members of the county council, which meets in the latter part of November, but the choice made by Warden Henry is an eminently wise one, and will undoubtedly be immediately ratified by the members of the council at the coming session.

CARD OF THANKS. Owing to the large number of friends and ratepayers who worked so willingly and faithfully in my behalf, I am unable to thank them personally, and take this opportunity to publicly acknowledge my deep sense of gratitude for their efforts and to assure them that I will continue, as heretofore, to take a deep interest in the welfare of the town of North Toronto.

Yours sincerely, J. W. Brownlow.

TO THE ELECTORS OF NORTH TORONTO. I hereby wish to extend my hearty thanks for the very liberal support in electing me to the vacancy on the council board, and will endeavor to look after the interests of the ward, to the best of my ability. Thanking you again,

I remain, yours sincerely, James Pears, senr.

CHINA'S NAVY. VICTORIA, B.C., Nov. 7.—According to word brought by the "Empress of Japan," China's navy was found, as a result of recent investigation, to contain twelve warships and sixteen torpedo craft, of fighting capacity, three of which should be repaired, sixteen suitable for coast defence, and seven inefficient. It was decided to purchase three second and third class cruisers, two training ships, two destroyers and one gunboat.

A MISTAKE ON SIGHT

Is made when a person wears the wrong kind of glasses, and it is a fact that there are too many people doing so to-day. Be sure you are getting the glasses that suit your eyesight exactly, or they will do more injury than benefit. We are specialists in optical work, and accurately adjust lenses to individual eyes. We charge reasonably for the service.

DELIGHTS BIG AUDIENCE

Famous Welsh Choir Displays Fine Art in Choral Singing.

Saturday night at Massey Hall was a gala evening for Toronto's contingent of The Sons of Wales. The local Welshmen and, for that matter, lovers of choral music, were out in full force to hear the far-famed Royal Welsh Ladies' Choir. As always on occasions of this sort, the enthusiasm of the audience was remarkable, and so far as the singing of the Welsh choristers is concerned, the enthusiasm and plaudits were fully natural and inevitable. The choir itself and the soloists were in perfect voice and every number on the program was executed. It was somewhat anomalous in the history of music to hear a ladies' choir sing the soul-stirring "March of the Men of Harlech," but sex was forgotten in listening to the irresistible harmonies of the Royal Welsh Ladies' Choir, who, under the baton of Madame Hughes-Thomas, sang with beautiful tone and fine phrasing.

Evidently the choir's aim was to show forth the beauties of Celtic music, for the program included both Brynion and Gaelic "airs." If there was "Harlech," there were also "Killarney," "My Connemara Home," and even, under a new choral arrangement by Lisa Lehmann, the perennially beautiful "Annie Laurie." In "The Dear Homeland" Jake-Jake-man displayed a well-trained and sweet mezzo voice. Miss Squire, a most artistic soprano, was very effective in her duos and parts with the choir; and Miss Nansi Langdon, with her deep-toned contralto, could not have been surpassed, even by Schumann-Heink. To the warm Celtic hearts, Miss Jennie Davies' solo, "Cynru Fydd," appealed profoundly, and Miss Gwennell Lewis delighted the audience with her soulful rendering of Sullivan's "Poor Wanderer." Madame Hughes-Thomas and the Royal Welsh Ladies' Choir are to be congratulated on having upheld the reputation of Wales as the home of the finest choral singing in the world. J. D. Logan.

DYNAMITE KING IN MINES OF THE NORTH

Continued From Page 1.

wonderful new veins are much more extensive. That Gowanda and the surrounding districts will have at least ten carloads of ore for shipment when the sleigh roads are passable, is indeed an extraordinary accomplishment in the face of tremendous natural difficulties. When one reaches the camp by canoe over many difficult portages and finds splendid machinery pigmies with electric lights and compressors in operation, the progress already made seems incredible. But it is on the lesser advanced properties, scattered over many miles of territory, that one is really inspired by what has taken place in a few short months since the passing of the season made effective work feasible. In this time so many silver deposits have been found and so many leads uncovered that the future of the country is as sure as that of the wheat lands of the Canadian west.

Country's Success is Certain. Those who may have been prejudiced by the fact that their interests are elsewhere, should not close their eyes to the fact. It is as certain as the rising of the sun, in the light of this industrial and commercial possibilities, and after a careful investigation of the traffic and mining conditions of the moment, the subject becomes impressive in its magnitude. In the articles which must follow in the elaboration of a review such as this is planned to be, it is the intention to enter into details of the work now proceeding in this new country, the nature of the mineral deposits, the progress of development at the various mines, and the position of Toronto as the commercial capital of this rapidly expanding market. It is the intention also to picture life in the mining camps and the lives of the mining men, so that the reader may feel the spirit of the country as he grasps the facts. It is the earnest desire of the writer that after the series of articles have concluded no reader can lay his finger on a single statement recorded and say that it is not in accordance with the facts. J. S. Crats.

TWO LOCAL OPTION VOTES OFF

Welland Town Will Wait Year—Bertie Township Petition Short.

WELLAND, Nov. 7.—(Special.)—The County of Welland will have but one local option vote in January, while a short time ago it was thought there would be three. In Welland Town, action has been postponed for a year. The temperance and moral reform association in Bertie Township filed its petition on October 30. On Friday the council struck off twelve names, as being ineligible, leaving 280, or three less than the required 25 per cent., so the bylaw will not be submitted. The one vote will take place in Wainfleet Township.

The Sign of the SLATE

THERE are now four different kinds of Shoes made or sold by people whose names are "Slater."

Some of these are good Shoes, some are different—and some are very indifferent. None of them is the genuine 1869 "Slater Shoe" which has the Slate mark and the makers' price stamped on the soles or linings to prevent overcharge.

Many Shoe Retailers now buy a few dozen pairs of these "near-Slater" Shoes so as to be able to answer (when asked for "The Slater Shoe") as follows:

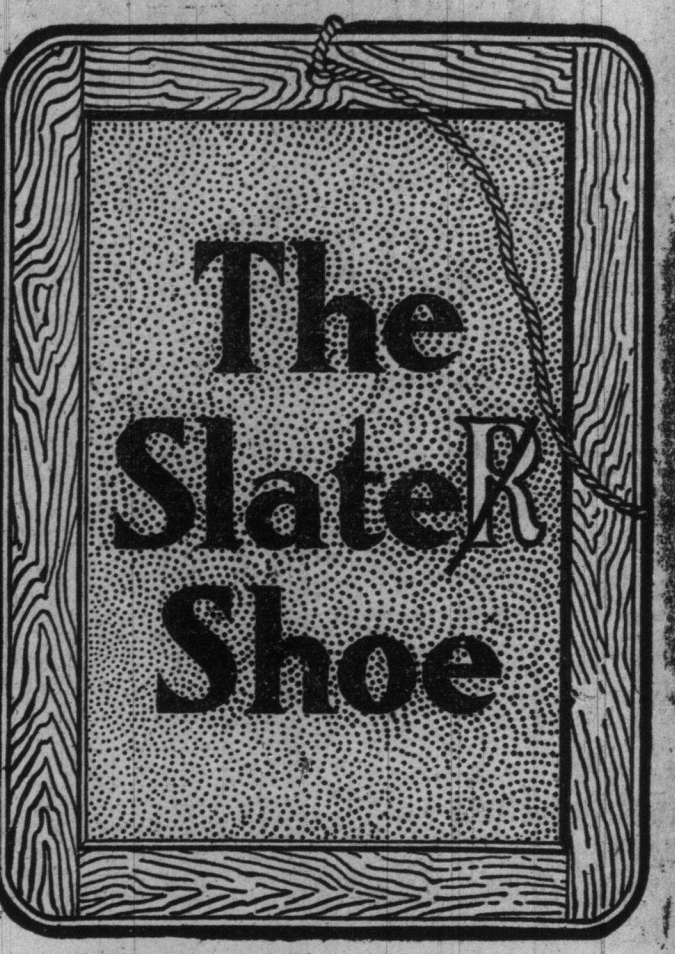

"Oh, yes, we have Slater's make of Shoes" or "Slater's Shoes."

Now, the Courts have ruled that we (The Slater Shoe Co., Limited) have sole and exclusive right to use "The Slater Shoe" as a brand established by our factories through years of use.

And, we don't waive a single point upon that right.

But, to protect the public against deception and fraud, we henceforth accent the Slate in our brand.

When you want the original 1869 "Slater Shoe," with the makers' fixed price stamped on it and the makers' guarantee behind it, that is made of the best materials throughout, by the Goodyear Welt process which insures comfort and durability, look for the Slate mark on the sole or lining of a genuine

Didn't Ask for Gibson's Removal.

OTTAWA, Nov. 7.—(Special.)—D-

patches emanating from Ottawa to the effect that yesterday the trades and labor congress delegates submitted to Sir Wilfrid Laurier a resolution calling for the dismissal of Lieutenant-Governor Gibson are inaccurate. No such resolution was submitted.

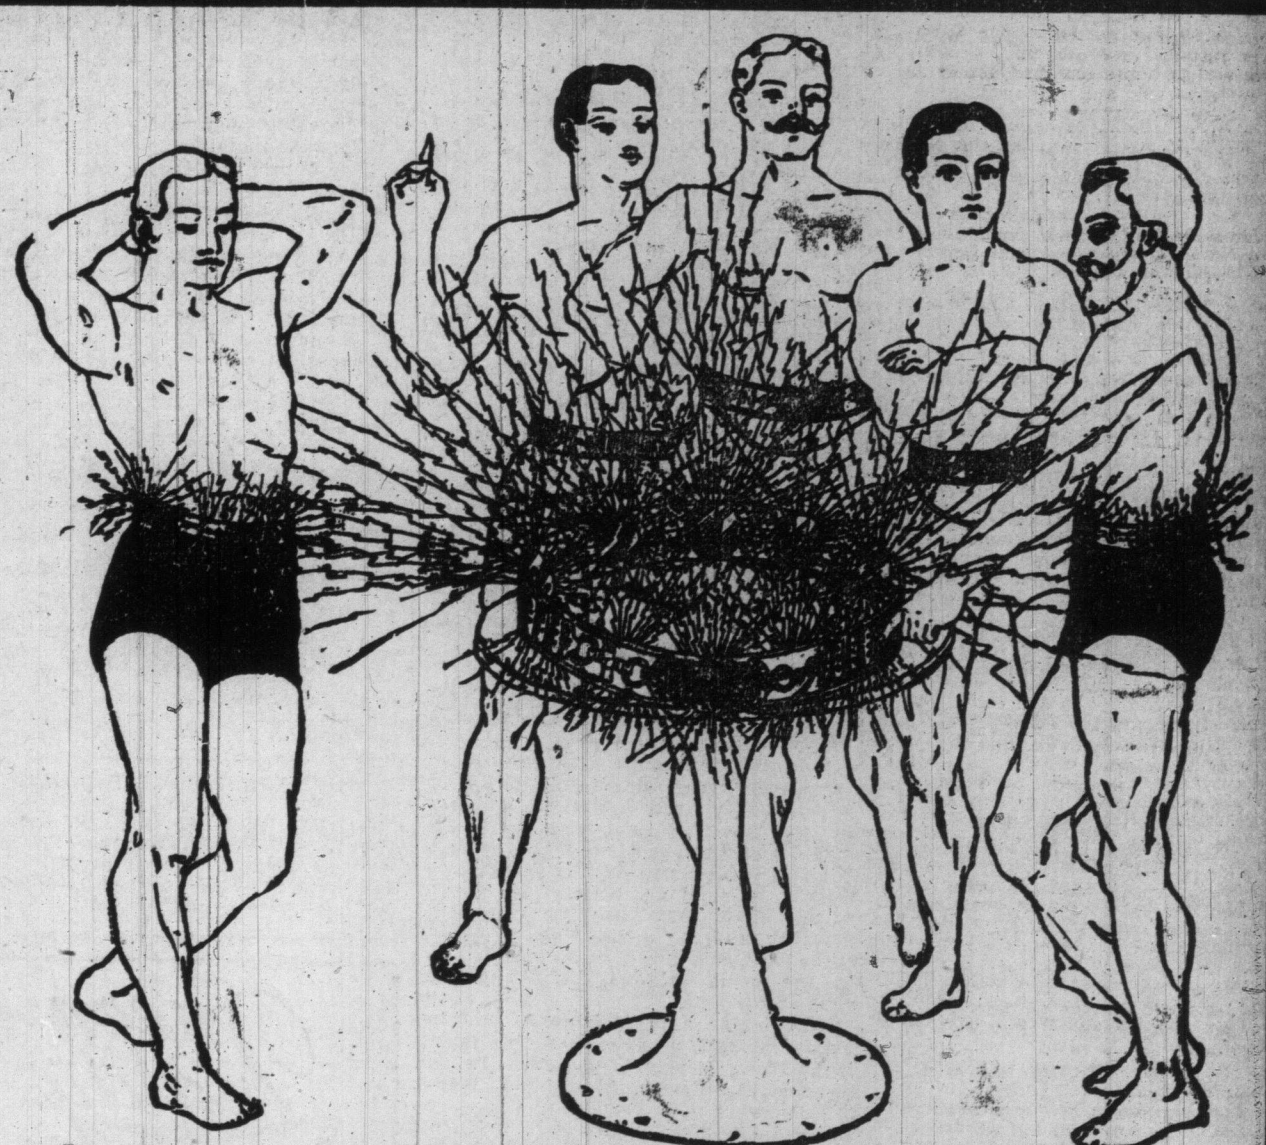

The Source of New Strength, New Vigor, New Manhood; Electricity, the Real Fountain of Youth, the Great Potent, Silent Upbuilder; the Producer of Permanent Health.

Used as I recommend it, taken as I give it with my New 1909 Model DR. SANDEN HERCULEX ELECTRIC HEALTH BELT and Electric Suspensory, it restores lost vitality as sure as the fact that night follows day. It MUST cure if you give it a fair, square chance. Send for book, or call.

LET ME SEND YOU THESE TWO BOOKS FREE

STRENGTH THE GLORY OF MAN

HEALTH IN NATURE

Thousands upon thousands have given testimony to the value of the Dr. Sanden Electric Health Belt; many have requested me to publish their statements for the benefit of suffering humanity. Here is a sample:

Dear Sir,—I suffered twenty years with Nervous Debility, Lost Vigor, Weakness, and a general run-down condition, and I am glad to be able to testify that your Belt cured me. \$100.00 would not buy my Belt if I could not get another. My wife also wore the Belt with great success. I freely recommend it to all, and especially those who have tried drugs and medicines without relief. Yours truly, SAMUEL WARD, Box 915, Belleville, Ont.

Let me cure you. Use my Belt according to directions. Put it on nights; let it work while you sleep. It will make you husky, strong, full of vim and vigor, a man among men. It gives a current instantly felt by wearer or I forfeit \$5,000. Regulated to any strength you wish. It cures

Lame Back and Rheumatism. Kidney, liver, stomach, bladder disorders, and any ailment of the nerves or muscles. Now is the time to use it, and for a limited period I will give it to all sufferers on trial to prove its value before paying for it, or if you prefer to deal for cash you get a discount. If possible call, talk over your case and let me give you a

Free Test at Office. Or, if at a distance, send for the two free books, "Health In Nature" and "Strength." They fully describe my Belt and give information that every adult needs.
