WAS PLEASED TO OPEN CANADIAN HOSPITALS

Princess Louise Cables Colonel Gooderham, Who Equipped the Building.

Yesterday a cable was received by Col. Gooderham from the Princess Louise, who has just opened the Daughters of the Empire Canadian Red Cross Hospital for officers, in which Canada and Toronto, particularly, are so much interested. The cable stated that the hospital was in the fact that it was furnished by residents of this city.

The cable was as follows:
"It was given me the greatest pleasure to open the beautiful hospital so generously equipped by you and Mrs. Gooderham."
(Signed) Louise.

MAN WRESTLES BEAR.

The Bufts pulled off another stunt at their noonday meeting at the corner of Shuter and Yonge streets when Pte. Currie took on a wrestling match with the battalion mascot, the black bear. We are inclined to think that the bear had the best of the argument, as his keeper was observed to be taking a much-needed rest in the afternoon. Continuing their good work, the Bufts secured several first-class recruits as a result of the meeting.

At night the bugle band took a march out thru the east end of the city and several more were induced to go down and try their luck with the doctor.

HAND TORN BY SAW.

Charles Conwell, while at work in the West Toronto factory of Heinz, man & Company had his right hand severely torn by a rip saw yesterday afternoon.

AT LOUISVILLE.

LOUISVILLE, Ky., May 12.—The most open race in the history of the stakes, expert horsemen declared tonight in reference to the forty-second annual renewal of the Kentucky Derby, to be run by three-year-olds at a mile and a quarter tomorrow afternoon at Churchill Downs. Ten apparently certain starters, possibly more, including the best colts of wealthy eastern sportsmen, the equally well-

blooded thoroughbreds of the Kentucky "hard boots," and two English performers of a K. Macomber, are entered for the event. With \$10,000 added to the purse by the Jockey Club, the race is worth approximately \$15,000.

Fifty-six nominations, including virtually every American two-year-old which attained distinction last year, were made for the Derby. Seven geldings and three fillies were named as possible starters, but the field now has narrowed to the best colts named.

A Derby precedent probably will be set when, from appearances tonight, a foreign-bred animal will go to the post for the Kentucky Derby, a foal of the Macomber entry, Star Hawk and the filly named as possible starters, are also in the field. It is believed, will be held at odds of 2 to 1. Star Hawk, a foal of the Macomber entry, Star Hawk and the filly named as possible starters, are also in the field. It is believed, will be held at odds of 2 to 1.

All the starters, however, will come in for a fair share of wagering, as none is regarded as being a distinct outsider.

Special trains have poured a throng of people into Louisville for the Derby, and visitors are here from Chicago, New York, Cincinnati, San Francisco and other cities.

Governor A. O. Stanley of Kentucky will witness the race from the judges' stand, and then decorate the winning jockey and his mount with wreaths of roses.

The Derby record is 2:03 3-5, established by a gelding, Old Rosebud, when he won the classic in 1914. With a fast track tomorrow, horsemen predict a new record will be set up.

THE OFFERING OF TWENTY HEAD OF THE THORNCLEIFF HORSES AT THE OPENING OF THE RACING SEASON IS A NEW DEPARTURE IN THOROUGHBRED AUCTIONS, AND ONLY OCCURS BECAUSE OF THE RECENT DEATH OF THE OWNER, AND THE DECISION OF THE EXECUTORS NOT TO CONTINUE THE RACING ACTIVITIES OF THE ESTATE. THE SALE WILL TAKE PLACE AT WOODBINE PARK ON THE MORNING OF MONDAY, MAY 22, THE SECOND DAY OF THE ONTARIO

NO EXTRA CHARGES—PARCELS DELIVERED

About two years ago we told you we proposed to cut big ground floor rent out of your clothing cost, and we have kept our word absolutely—and have enabled every man who came up here to actually save \$10. At first the men came up here to test us—so see if we backed up our advertisement. They know now that we have told the exact truth, and that's why thousands of men are now taking the elevator to this shop. They know that we have no ground floor rent, no office force—and no extra \$10. They know that the very \$25 garments which they see in the ground floor stores cost them in this 2nd floor just \$15—because the ground floor rent is not in the cost.

We have Suits at \$18 and \$20 for the man who is accustomed to paying \$30 for his clothes in ground-floor stores. Our system of selling upstairs also saves you \$10 on these suits.
