# BY THE HOME BANK

Favors C. H. Cahan, Sr., in Suit for Large Sum-May Go to Privy Council.

Montreal, Feb. 11.—In the superior court this afternoon Justice McLennan rendered judgment, ordering the Home Bank to pay the sum of \$205,960.37 to the Corporations Securities, Limited. This is the amount which C. H. Cahan, K.C., junior, secured from the Corporations Securities, Limited, by signing cheques in the name of the concern, of which he was a director, and making them payable to himself. C. H. Cahan, junior, disappeared after securing the money.

money.

Drew Cheques.

Young Cahan drew the offeques on the Merchants Bank and deposited them in the Home Bank to his own personal and private account. The cheques were countersigned by B. Bowler, secretary-treasurer of the corporation, who also disappeared.

The Corporations Securities pleaded that the authority of C. H. Cahan, jun., was limited, that his title was defective and that he did not act in the usual course of business. The bank, on the other hand, argued that the tansaction was put thru in the ordinary way or business.

Sad Feature of Case.

A sad feature of the case was the evidence of the father of young Cahan, C. H. Cahan, K.C., sen., one of the best-known lawyers in Canada, president of the corporation, who said in the witness box: "It was pretty hard to come home and find that almost the day I left canada after I had placed trust in my boy he began to pider my banking account to further his personal greed and lavishness."

The bank stated to The Toronto World last night that the judgment has already been appealed by the bank to the court of King's bench, and, if necessary, the matter would be taken to the

This huge dividend was declared during the past few days by the Rock Island Syndicate. Don't you wish that you were Interested in that Syndicate? -

The above is only one of hundreds of instances where Syndicates are making vast profits for small investors. The proposition is a simple one, strictly legitimate, and the large possible profit is not exaggerated.

## We Have No Stock For Sale

The CANADIAN-TEXAS OIL SYNDICATE, composed of and managed by well-known business men of Toronto, have just secured a most valuable 2,000-acre oil lease in the midst of the North Central Texas Oil Field, in Coryell County, surrounded by drilling wells. This lease has been divided into 400 Five-Acre Lease units.

A limited number of these 5-Acre Oil Leases are now being sold for \$125.00 each. But this price will quickly advance to \$150.00. Oil Leases in the proven fields of Texas have been known to increase in value almost overnight from \$25 per acre to \$1,000 per acre.

The Canadian-Texas Oil Syndicate are ready to begin

## Drilling a Well Now

You will not have long to wait to have your lease proven up. The enhancement in acreage values following the completion of an oil well adjoining your lease means thousands of dollars

sixty acres in the Burkburnett field.

\$100,000 was paid for a single acre in the North-West Burk-

\$10,000 per acre has been repeatedly paid for proven acreage. Remember also that when you buy a 5-acre lease from the Canadian-Texas Oil Syndicate you ABSOLUTELY control the property YOURSELF.

This is one of the cleanest cut propositions ever offered the investing public.

Considering the small initial investment required to sit in and share in the large possible profits, the hazard is practically nil. Nothing like it has ever been offered the buying public.

REMEMBER, we have only a small number of the 5-acre leases left; first come, first served. Write, wire or call in

Ganada's berrowings in the first month of 1921, acys The Monetary Times, totaled \$38,054,035, compared with \$34,770,555 in December, 1920, and \$20,504,077 in January a year ago. Last month's total was made up largely of provincial and rall-road issues altho municipalities participated to a considerable extent.

A comparison of the figures with a year ago shows some interesting facts. For instance, in January, 1920, all the provincial bonds, totaling some \$9,600,000, were piaced in the United States, while this year, out of an amount of more than eighteen millions, only two millions went across the line.
