OTTAWA BEAT ST. PATS. Pembroke, March 3.—In the exhibition same here tonight between the Ottawa N.H.L. team and the St. Patricks of Toronto, Ottawa won by a score of 8 to 5. This is the home town of Frank Nighbor and Harry Cameron. Before the game, the local council of the Knights of Columbus presented these two players with gold watches, the presentation being made by Mayor Jones, while the 1600 people crowded into the rink, gave them a roueing reception. Fully half of those wishing to see the game had to be turned the incoming the seed of the seed

WANTED IN CHATHAM. Steve Willishire, 464 Church street, is wanted by the police for fraud in Chatham, Ont., and was arrested yesterday upon this charge by Detectives Archibald and Elliott.

Miss Flora Boyko **Tells How Cuticura** Healed Her Pimples

"My face was very itchy at first

"My face was very itchy at first, and after that it was covered with pimples that disfigured it badly. The pimples were hard and red and they were small, and they were scattered all over my face and were so itchy I had to scratch and I could not sleep.
"These bothered me nearly a year before I used Cuticura Soap and Ointment and when I had used five cakes of Cuticura Soap and five boxes of Cuticura Ointment I was healed." (Signed) Miss Flora M. Boyko, Gardenton, Man., Dec. 26, 1918.
Having obtained a clear healthy Gardenton, Man., Dec. 26, 1918.

Having obtained a clear healthy skin by the use of Cuticura, keep it clear by using the Soap for all toilet purposes, assisted by touches of Ointment as needed. Do not fail to Ointment as needed. Do not fail to include the exquisitely scented Cuticura Talcum in your toilet preparations. Splendid after bathing.

Seep 25c, Ointment 25 and 50c. Sold throughout the Dominion. Canadian Depot Lyman, Limited, St. Paul St., Mentreal.

George Veile. 28 Bishop street, was arrested yesterday afternoon by Detectives Tufts and Johns on a charge of theft of an automobile belonging to Lorne Harris, 63 Queen's Park. The car was found on Isabella street where Veile was arrested.

SELF-DETERMINATION

Delay Over Viaduct.

The municipal committee report called attention to the long delay in building of a bridge to the island of cars for the street railway in this city, and the providence of the building of a bridge to the island, the construction of cars for the street railway in this city, and the providence of the building of more adequate lavatory accommodation. The committee also advocated the prohibiting of films showing murders, suicides and hold-ups.

Controller Gibbons, who was at the meeting, stated that the Dominion government had promised to build a bridge to the island in connection with the harry bor improvements, and that it would probably be constructed next summer.

Regarding lavatory accommodation,

Regarding lavatory accommodation, colonial delegations voting against Great Britain on the Bulgarian ques-tion. It furnished to the world the spectacle of members of the Brissh Empire quarreling among themselves. F. L. Davis of Neepawa, speaking from "No Man's Land," announced that he favored the platform of the National Progressive party in particulars. He objected to the attitude of the Liberal opposition leader

ant matter in the east as he had been in the west.

Views of Progressives.

The Progressive party had for its first speaker today J. A. Maharg of Maple Creek, who resented certain reflections said to have been made by the prime minister on the party to which he belonged. The statements attributed to the prime minister were slanderous, said Mr. Maharg, and he setter position to confront us at the slanderous, said Mr. Maharg, and he better position to confront us at the went to some pains to prove that the conference." Dr. Watson's Address.

An address on the dangers of venereal disease was given by Dr. Watson, chairman of the National Council for Combating Venereal Disease. He said the ob-

Company was selling American agricultural implements and insisted hat the reason for this was that Canadian manufacturers refused to sell to this company. Supplies issued by the stationery department of the house of commons were, he said, manufactured in the United States or Great Britain. He declared that the Progressive party would give all pos-sible support into an investigation of

the grain trade.

J. P. Molloy of Provencher said his constituents had been wanting an election for the past year. He had not much confidence in the promised redistribution and the tariff and other matters could wait until after the matters could walk until after the people had been consulted at the polls. R. L. Halbert, another Progressive member, pointed to the Ontario by-elections to show that the government had lost its hold. Even "Tory Ontario", had turned against it. S. W. Jacobs (George Etlenne Cartier) criticized the government expenditures on sh'ps, which, he said, had been intended for war service, and re-marked that the department of trade and commerce had ceased to function. Sir George Foster, its minister, should be sent to his reward as high commissioner in Londo

came to that conclusion not only from the character of the counter-proposals, but from the speeches Dr. Simons had made in Germany.

"One of the most serious statements made by him," said Mr. Lloyd George "was contained in Mr. Lloyd "was co

George, "was contained in his speec at Stuttgart, when he repudiated German responsibility for the war. For the allies, German responsibility for the war is fundamental. Therefore, the allies had taken into account that fact that the German government, with the apparent support of the German people, was challenging the very foundation of the treaty, said the prime minister.

The German people are under the impression that the demands of the allies represent intolerable oppression, charge the obligations she entered into to repair the injuries inflicted by

the war, which her government is responsible for provoking. Not Making Costs of War. "We are not asking for the costs of the war. The charges on the allies were so enormous, it would be impossible to ask a single country to bear them. We simply have insisted

"What is there comparable in the German budget to this?"

He said he believed that when the German people realized the extent of the devastation wrought, their attitude would change. An incredible amount of damage had been done deliberately with the view of destroying the essential means of production of France and Belgium, Mr. Lloyd George made the treaty of the treaty of George declared, adding:

"Therefore, unless reparation is able to meet the demands of the German of the paris proposals.

Mr. Lloyd George made a declaration in behalf of the allies, charging the German Minister Replies.

After Mr. Lloyd George nad finished, Dr. Simons, for the Germans, said the intentions of the German government that the allies had displayed no harsh insistence upon the letter of their bond.

"Therefore, unless reparation is the demands of the paris proposals.

Mr. Lloyd George made a declaration in behalf of the allies, charging the German Minister Replies.

After Mr. Lloyd George nad finished, Dr. Simons, for the German government in the letter of their bond.

"Therefore, unless reparation is the demands of the paris proposals.

Mr. Lloyd George made a declaration in behalf of the allies, charging the German Minister Replies.

After Mr. Lloyd George nad finished, Dr. Simons, for the German government in the letter of the proposals.

German people realized the extent of the paris proposals.

Mr. Lloyd George nad finished, Dr. Simons, for the German government in the letter of the proposals.

Mr. Lloyd George nad finished, Dr. Simons, for the German necessary of the most important provisions of the treaty of the proposals.

After Mr. Lloyd George nad finished, Dr. Simons, for the German necessary of the most important provisions of the treaty of the most important provisions of the treaty of the most important provisions of the german mount of damage had been done deliberation in the letter of the proposals.

Mr. Lloyd George nad finished.

Dr. Simons, for the German delegation, he said, would reply at the proposals.

Mr.

fourth the sum required to repair the damage, the prime minister said, and difficulties, cannot allow any further. that on condition that those who need it must find it out of their own pockets on high-privileged terms. It was Proposals Exasperating.

The alles were prepared to make on the tariff. Mr. King, he said, was allowances for the difficulty under not so outspoken on this all-important matter in the east as he had been tries labor as a result of the war.
