

right to attend, take part in the deliberations and vote for the election of Governors at the annual general meeting of all the members of the corporation, which takes place on the first Wednesday of July.

Any person having paid the sum of one hundred dollars becomes a *Life Governor* as long as he pays a yearly contribution of ten dollars.

The Life Governors are *ipso facto* members of the Board of Governors.

The *Elected Governors* are appointed at the general yearly meeting of the corporation. In no case can their number exceed twelve.

In order to be eligible as a Governor, one must have paid a sum of at least twenty-five dollars and must pay a yearly contribution of at least five dollars. The elected Governors have the same rights and privileges as the life Governors.

..

The *Board of Governors* is composed of all the Life Governors, and of not more than twelve Elected Governors.

This Board transacts the general business of the corporation and meets at least four times a year, on the last Wednesday of January, April, July and October.

The Officers of the Board of Governors are a President, two Vice-Presidents and a Secretary.

The Board of Governors must report at the annual general meeting of the corporation on the state of general business, in accordance with a statement made by the Board of management.

The *Medical Board* meets once a month, its officers being a President and a Secretary. This Board has the absolute control over the whole medical department of the Hospital. It watches over the sanitary arrangements, suggests the purchasing of surgical instruments, appoints the attending physicians, the house surgeons and assistants, and the physicians in charge of the out-door department. It determines the hour for the attendance of physicians, the admission of patients and consultation at the out-door department.

The medical Board makes regulations for the diet of patients and the behaviour of medical students and nurses; it has the right to visit and examine the pharmacy at any time and to suggest whatever it may deem advisable in the interest of the Hospital.

In the interest of science, the attending physicians and surgeons, or in their absence, the house-surgeons have the right of performing a *post-mortem* examination on all patients dying in the public wards of the Hospital.
