

young people of the Congregation, will avail themselves of the excellent instruction thus placed within their reach.

The operations of the Ladies' Aid Society have been conducted with their accustomed energy, and substantial aid has been given to the city charities, and to many poor and needy ones who have been so fortunate as to receive their care.

The District Visitors have afforded much assistance to the Pastor in his work, and merit the thanks of the Session for their continued diligence.

The Session record with much satisfaction a considerable increase in the number of those contributing to the schemes of the Church, and a consequent increase in the amount contributed. This liberality has enabled the Session without drawing as largely on the balance in hand as they did last year, to allocate a slightly increased amount to the schemes of the Church. The allocations are as follows : viz.

Interest on Church Loan.....	\$1,500 00
Home Missions	\$650 00
" " to Lumbermen	50 00
Augmentation of Stipend.....	700 00
Foreign Missions	400 00
French Evangelization.....	300 00
College Fund :	150 00
General.....	100 00
Bursary.....	50 00
Manitoba	50 00
Ministers' Widows and Orphans' Fund.....	200 00
Aged and Infirm Ministers' Fund.....	100 00
Total	<u>\$3,450 00</u>

While the above figures indicate the amounts contributed by means of the Schedules during the year, they cannot be regarded by any means as the measure of the Congregation's gifts to the Missionary and Benevolent enterprises of the Church.

The Session in closing their Report would express the hope that during the coming year there may be still deeper manifestation of spiritual life in the Congregation, and still more generous and intelligent interest in all the departments of Christian Service to which the Church is called by her Lord's command. It is in active service for the Master that we must expect the strengthening of our own souls, as well as the souls of others. Let us not weary in well-doing, for in due season we shall reap if we faint not.
