WEEKENO lies inland about 110 miles from Bella Bella. We
visited this place during the summer, but were unable to approach the
people, as the chiefs and doctors—who are opposed to Christianity
—incited the people against us. We tried here and there to drop a
seed, and trust that some of them, at least, may spring up. Some
white people from Victoria have recently established a cannery not
far from the village. We hope to be able to place a native teacher
there this year.

KOPITE AND HYHIES are both small villages situated north of
Bella Bella. Some of the people from Kokite speak of moving to
Bella Bella. It is only twelve miles distant. The people at Hyhies
are very anxious to get a teacher. We hope to be able to supply
them this year.

THE CHAIRMAN of the District has recently visited the principal
places where the Society's Agents are working for Christ, and the ex-
tension of His Kingdom. He speaks of the changes at EDMONTON,
which has lost its Indian character, and has now its stores, printing
office, furniture manufactory, &c., and will doubtless, at no great dis-
tance of time, become a flourishing city. The Indians are settling on
the banks of the river some eight or ten miles above Edmonton, and
are exceedingly anxious about their own and their children's spiritual
welfare. Mr. McDougall went among the Indian lodges, held an
interesting service, and administered the rite of baptism to some
children.

At WHITE FISH LAKE, he found Brother Steinhauer vigorous and
happy in his work, and the Church in peace and prosperity. He
