WILL MEET HERE AFTER 45 YEARS

John D. Matheson of Westfield, and Sister, to Have Reunion.

Separated from his sister for forty-five years, John D. Matheson of Westfield, N. B., came into the city today to greet his relative at the Boston train, but was disappointed, as she did not arrive. During that long interval neither has seen the other, and it was only last fall that letter communication between them was established since the time when Mr. Matheson left the old home in Prince Edward Island. His sister is Mrs. Alfred Loftus of Norwalk, Connecticut, U. S. A. A letter which Mr. Matheson showed a Times-Star reporter gave the information that she expected to leave Norwalk on Thursday evening and leave Portland this morning. The brother expects, however, that Mrs. Loftus will reach the city tomorrow. He notified her to report at once to depot officials, and the Y. W. C. A. representative also volunteered to be on the lookout for Mrs. Loftus.

Mr. Matheson, who is married, served with the Canadian Expeditionary Forces during the war, enlisting in the 141st Battalion. Later on he was transferred to St. John's "Fighting 20th."

R. will number about 60 and they will also have 11 from Yarmouth, The Moncton, Charlottetown and Halifax delegates will travel C. N. R. It is expected the Maritime delegation will number close to 250.

Chipman, Mr. and Mrs. E. C. Brown, Mr. and Mrs. J. Herbert Barton, Mr. and Mrs. J. J. Woodman, Mr. and Mrs. E. J. Terry, and Messrs. A. L. Foster, Alex. Wilson, F. J. Donegan, A. R. GETTING READY TO SUBMIT REPORT

Mothers' Pensions Committee Meets Here—Moncton Widows Need Help.

The commission appointed by the Provincial Government to investigate the matter of mother's pensions, met here this morning and considered evidence taken during sessions here, in Moncton and at Bathurst. The session will be continued this afternoon. The principal work of the commission is to sort and tabulate the information gleaned and get it into order for a report, which is expected to be completed by the end of June.

Dr. J. C. Kierstead, of Fredericton, presided at today's meeting and other present were Mrs. J. L. Sugrue, St. John, secretary; R. A. Frechet, Moncton and Felix McMullin, St. John.

The survey at Moncton is about completed and is expected by the commission soon. According to reports received from G. A. Stone, a member of the commission appointed to make the survey, there are at least 18 widows in the railway town in constant need of charitable assistance. There are altogether some 120 widows in Moncton, but most of them are well provided for, some receiving pensions from funds provided for widows and children of deceased soldiers.

LOCALS TAKING VOTE ON STRIKE

A strike vote now is being taken at the local Post Office in regard to the proposals contained in the new schedule recently issued. No result will be announced until all the returns for Canada have been tabulated. Voting is expected to be finished by tomorrow.

A SUMMER VISITOR.

This morning a large bull moose was seen by passersby in a field adjoining the property of W. A. Nelson in the Yauwagish road. After ambling about for a time he turned his head towards the Bay Shore and, traveling in the direction of the Provincial Hospital annex, disappeared in a thicket. While sights of this description are more or less common during the late summer or early fall, the appearance of this monarch of the woods during June so close to the city is rather unusual.

As Hiram Sees It

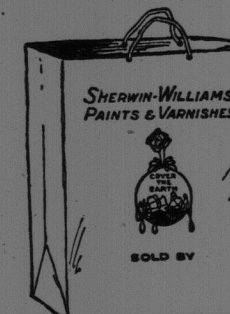

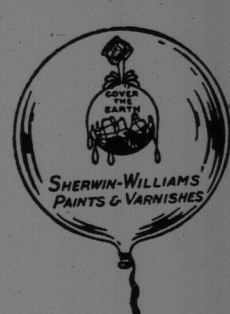

"Hiram," said The Times reporter to Mr. Hiram Hornbeam, "when summer dropped down on the roof of the skies on Wednesday it made a hit with me."

"I bet it made a hit with a hull lot o' folks," said Hiram. "I wouldn't be surprised if them there store-keepers that he straw hats an' summer clothes felt like goin' out an' dancin' a jig on the sidewalk."

"What about the folks in The Settlement?" queried the reporter.

"Wearin' cows-breakfasts," said Hiram. "But you orto see the peas an' petaters jumpin' up—an' the grass, too. The ground's been rather cold—an' we needed a good warm day. But I see it didn't take the brush fires long to get started. I wonder how much young timber growth we'll hev burnt up this year because somebody acted the fool. Don't it beat all how careless a lot o' people is? An' here an' there one is plain devilish—an' sets a fire without carin' who's hurt. I'd like to hev an old musket loaded with salt an' ketch one of 'em at it—I bet he'd remember it—but I can't stay in here talkin' to you. This is too fine a mornin' to be in the house—an' we may hev snow after the week's out—By Hien!"
