Sir,

*W*

In reply to your letter no 395 775 dated Jan 26<sup>th</sup> 1912 I brought the matter of a reward for the finding of the body of Chas. Rah-dee before the Chippewa Council and they decided to offer a reward of \$25<sup>00</sup> subject to the approval of the department I would recommend that the award be approved. Steven Kujish who was sent to Sarnia on charge of murdering Adam John will be tried at the spring assize in April he has no money to employ counsel. Some of his friends employed J. S. Sprace K. G. to look after his case at the inquest and trial before the P.M.

Your obedient servant  
Tom Durgall
