A lengthy report on the recent sessions of the Dominion Trades and Labor Congress at Calgary, made by Delegate Christian Sivertz, was the prin-Victoria Trades and Labor Council the cost of same jointly.

and Labor Congress, by your unswerving support, both moral and material, the land into closer relationship.

The convention was opened in due me on Monday, the 11th, and continin sessions from day to day till turday the 16th, when all business d been disposed of. One day, Thurswas set apart as a day of recreaand social intercourse, the delees making up for same by holding tht sessions on three nights of the

eople of Calgary in general, which Le Chung with keeping a common may be summarized by stating that gambling game.

The arrests were effected by Detection of the trades and Labor Council, the Premiser of the Council, the Premiser of the Council, the President of the Trades and Labor Council, the President of the Premiser of the Council, the President of the Premiser of the Council, the President of the Trades and Labor Council, the President of the Premiser of the Council, the President of the Trades and Labor Council, the President of the Premiser of the Council, the President of the Premiser of the Council, the President of the Trades and Premisers of the Spreme Council the President of the Premiser of the Council, the President of the Premiser of the Council the President of the Premiser of the Spreme Council the President of the Premiser of the Council the Premiser of the Premiser of the Council the Premiser of the Premis ay be summarized by stating that gaming house and Ah Sing with plays, paths, lanes and wildwoods of unlimited supplies of cocaine. The reception committee fine of \$5. as enabled to provide this magnifiit entertainment because of a grant

\$500 and \$100 for the purpose om the Provincial and city governents, respectively. Having quoted some of the principal utions, the report proceeded: The convention took a firm stand taking a dose of strychnine. its previously adopted policy, by ng to be stampeded into an attude of dictating political action on e part of the workers, wisely conng itself with the stand taken e years ago in this city, when such ters were left in the hands of the

arious provinces. The convention declined to proince on the question of reciprocity, which the Executive Council submited for endorsement as a principle. A resolution providing for the reconruction of the administration of the Congress by placing a permanent secretary at Ottawa, and to dispose with the services of a solicitor and or-

ganizers, was tabled. The sympathy and endorsation of the onvention was conveyed to the strikng mine workers of district 18, by the very practical expression of a vote of \$300 as a recognition of the self-sacrifice and courage displayed by the members of the U. M. W. of A., both east and

Election of Officers. Election of officers was held at 2.30

m. on the fifth day. F. Duffy, frarnal delegate from the American deration of Labor, presiding, result. in the election as president of the gress of our friend J. C. Watters, gate from the B. C.
