What says Davison Lumber Co. Ltd., of Springfield, N. S. "We have been using a large quantity of **EMPIRE LINIMENT** for the past year, we use it in bulk for Veterinary purposes and find it most effective for swellings, etc., we also handle a large quantity in small bottles which we sell through our various commissaries. This is also in much demand and gives satisfaction with the men."

Stops Hair Falling
Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this.
Does not change the color of the hair.
Formula with each bottle. Show it to your doctor. Ask him about it, then do as he says.
Ayer's
The reason why Ayer's Hair Vigor stops falling hair is because it first destroys the germs which cause this trouble. After this is done, nature soon brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.
