## BEAVER BECOMES SOPH!

The annual Freshman Banquet signifying the close of Frosh Week activities took place Friday evening in the Boxing Room of the Lady Beaverbrook Gymnasium. Special guest at the function was the Rt. Hon. Lord Beaverbrook, Chancellor of the University. Mr. Gordon MacAllister, Vice-President of the Students Council was dinner chairman. Other guests at the head table, included the president, Dr. Colin B. Mackay, Deans of the Faculties, Administration staff, President of the Students Council, Alumni Secretary and Editor of the Brunswickan.

After the dinner, Lord Beaverbrook was presented with a Modern French-U.N.B. jacket. In his remarks during the presentation, Mr. Phil Canadian Artists Hooper, President of the Sophomore Class, explained that at last to be Featured year's Freshman Banquet Lord Beaverbrook was presented with a Beanie and thus made an "Hon- ada's exhibition "Some French orary Freshman". "Since then", continued Mr. Hooper, "his rec- tour of the Maritimes on Sunday ord has been such that we now in the Art Centre, where it will have the honor of making His be on view for two weeks. Lordship an 'Honorary Sop-homore'." The jacket had the numerals 97-22 emblazoned on the sleeve and an L.B. on the front. The numerals signify when His Lordship registered in Law at U.N.B. and when he received his Honorary Degree.

VOL 89 NO. 2

Lord Beaverbrook then expressed his gratitude at the presentation. He went on to say that although he was now a sophomore, his interests were still with the Freshmen. He applauded those students who enter the university determined to make a name in the annals of Canada. At one point he admonished those (Continued on page 2)

### **Notice To Sophomores**

The deadline for applications for the Dr. C. C. Jones Memorial Scholarship is Friday, Oc-

This scholarship, which is offered annually by the Associated Alumni, has a value of \$250. Sophomores of both sexes who have made a first division on freshman mathematics and who do not already hold a major scholarship are eligible.

Application forms may be obtained at the Alumni Office in the Memorial Student Centre.

Initiation at the Lady Beaverbrook Residence was suspended last Wednesday night. Prof. A. Shaw, Dean, in making this announcement, stressed that it was not a temporary suspension but a permanent

Shaw Suspends

The direct cause of the action as in the interests of health. Prof. Shaw reported that several of the frosh became ill during the initiation period. Although this illness consisted in the most part of colds, it was felt that precautions should be taken.

In addition Prof. Shaw expressed his dislike of what he called "too much humiliation." "Too much emphasis is placed on humiliatica of the student, and not enough on showing the new students the value of university best described by the French life," Prof. Shaw stated. "Also, term "avant garde." It is char- he continued, "students in resiacterized by high craftsmanship, dence seem to get initiated twice, technical competence, and man- while those living in town emerge relatively unscathed.

"Here's the man who's been causing all the trouble", Jim Brooks seems to be saying at the Sophomore Court, held in the Gym last Thursday. The looks of admiration come from Jim MacDonald, while the judge, Phil Hooper is totally unconcerned.

## RETURNING UPPERCLASSMEN

In his annual address on September 27, 1956, in The Lady Beaverbrook Rink, the president welcomed faculty and upperclassmen back to U.N.B. With great satisfaction news

of the growth of and improvements on the campus were received. Said the president:

"In 1953-54 our student body numbered 767—this year we expect that it will be over the 1,200 figure mark since we have now registered more than 450 new studenis. You might be interested in knowing the percentage breakdown of new students in the different faculties. Roughly it is as follows: engineers made up 45% of the new students; arts and business administration—22%; science—20%; foresters—12%; graduates and law roughly 1%."

"The chemistry building is on schedule and should be completed by next May. Work on the Engineering building is slow and we do not expect to move into the new wing until August of next year.'

"The addition to the ladies residence is nearly complete. We are determined that something be done to increase the present residence accommodation for men and we shall begin to work on plans for a new residence for men with the intention that construction might begin in 1957."

The Freshman initiations lowing was heard: for this year finished last Friday, were notable for one fact: New Brunswick will receive an they were without doubt the increase of 10% in the provincial quietest during recent years. government grant. It will enable Excellent organization and us to operate on a balanced bud-sensible behavior at the Sophbrated their initiation with the deficits of former years..' usual downtown parade, but The academic scope of the end of the week everyone conthis way: cerned seemed to be quite happy.

The week began with traditional inspections and pep rally. The Freshmen did not seem to like the inspections very much eration (and I would hope apand only a few turned up; they seemed to like the pep rally even less and none of them turned in physical education and an exup. It seemed to be a combination of the foul weather and the fact that every Freshman class seems to have the idea that the continue to strengthen the work upper classman wishes to hurt now being done at the graduate them in some way. The pep rally is a valuable and enjoyable part of the week and it was a shame that they did not wait to sample

The new class seemed to feel the same on Wednesday afterthat they were called upon to do some constructive work — we hope that this frame of mind will not remain dominant throughout uates in many fields of work. the year. The dance on Wednesday night was sponsored by the Junior Class, it was a success, but the Junior Class was, unfortunately, absent from most of the organization.

On Thursday the Sophomore Court was in session, the court was well conducted by the judge -The Right Honourable Mr. Hooper and the two highly esteemed lawyers Jim MacDonald and Jim Brooks. Then came the Downtown Parade. This was followed by a Corn-cob hop in the Rink.

The Freshmen were regarded as officially initiated after the Banquet, at which the Honoray Chancellor of the University, Lord Beaverbrook spoke. And so ended one of the quietest, but one of the best organized initiations of the past decade.

"The recent report of the National Employment Service emphasizes that 'never before have business and industry placed such a premium on a college degree. Two years ago, the demand for noon, this was the first time university graduates of all courses was more or less in balance with the universities' output-today, there are more jobs than grad-

"When the need for university graduates is so urgent and when the opportunities after graduation are so great, it is most disturbing to see the large percentage of failures in the first and second years.

## LETTERS

The "Brunswickan" welcomes letters to the Editor, to be printed in columns on this page. If there is any student who feels a comment is necessary, send it to the "Brunswickan". A letter can be signed with a pen name or initials, as long as the editor knows who wrote it. No anonymous letters will be published.
