indie symposium

In addition to the million bands you have to see this year, there is also the first rock talk indie symposium and record fair. Over twenty independent label reps, producers and recording studio people from across Canada and the US will be here to display their wares and field your questions about the indie lifestyle. The display will be held on the third floor of the Khyber building, while downstairs in the Khyber Café, a rocking **all ages show** will be happening.

Each of the labels have agreed to donate some recordings for you to win in the Ultimate Instant Indie Record Collection, to be drawn for on Sunday afternoon.

If you have a demo, bring it for a chance to win a dream date with Steve Shelley of Sonic Youth. If Steve likes your demo best, you win thirty hours free recording time, with Steve as your producer at Windwood Sound's 24 track studio in PEI.
