April 21st 44th - Dear Aida
of the Army Service
Corp, I am most
anxious to make
tho' a success both
financially and
socially. I have
been asked to
sell all tickets,
but feel at a great
disadvantage had
knowing people very
well to if you know
of any of your friends

visiting it would meet
you kindly refer mine to
the one tickets. The plan
of mine, I have all the
people know you know
and I think you know
been a long time since
I saw you - but being the
far to long to say. I
am hoping you are well.
