The Rt. Hon. Arthur Meighen
320 Bay Street
Toronto, Canada

Dear Senator Meighen:

As I had hoped, Mr. Coleman gives his permission for you to send to Mr. Churchill a copy of Mr. Coleman's letter to me. His letter of consent is so charming that I can not refrain from making a copy of it and enclosing it herewith.

I don't think that I ever sent you the copy of "The London Daily Telegraph" which contained my article, but sent you a reprint which appeared in the "Montreal Star" - unfortunately with one or two misprints. I don't know whether Mr. Churchill ever read the article in the "Telegraph", and if you think it worthwhile, you might send him the enclosed article along with a copy of Mr. Coleman's magnificent letter. However, I leave this entirely to your judgment. If you do not send the "Daily Telegraph" article to him, please keep it if you wish to do so.

With warmest personal regards, I am

Faithfully yours,

Lawrence Hunt.
