Dear Sir

I have the honor to acknowledge the receipt of your letter of the 12th instant and to have the same referred to the 12th instant. I have to inform that your letter is at this department in Ottawa, and is by the way, and is with oil cloth to admit of large transportation over several hundred miles of exposed ground. Three hundred yards of length of the same quality as the enclosed sample received from your last year. The same is much better than any other sample.

Respectfully yours

Wm. Logan, Esq.

Receiver,
