NOTICE

- 1. Files should be retained no longer than absolutely necessary. If a file is frequently needed at short intervals, it is better to B.P. it for the entire days than keep it out of Central Registry indefinitely. This ensures it being completed and kept in order, and also gives other offices an opportunity to use same.
- 2. Central Registry should be notified whenever a file is passed direct to another branch.
- 3. All outgoing letters should bear the official file number.
