

2. EXAMPLES OF MASS DRAWING WITH THE BRUSH.—Figures 1 and 2 are *simple* leaves of Bindweed and Lilac—3, 4, 5 are *compound* leaves of Laburnum, Wood-sorrel, and Clover—6, 7, 8 fruit of Plum, Pea, and Oak. A light pencil line may be sketched to indicate the midribs of the leaflets, and the direction of the grain. When fresh specimens cannot be obtained, simple common objects may be used for mass drawings.
