

**A Mass Moving to the Left in Fours Forming
Line Facing a Flank**

C. O.: "At the Halt—facing Right—Form Line."

Plat. Cr. of the Right Platoon of the Rear Company will give command: "No. Platoon—Halt—Right Turn."

Remaining Platoons will be led by their Guides to the place where their inner Flank will rest when in Line, and then wheel parallel to the alignment, where they will be halted, and turned to the Right by their Platoon Commanders, and stood at Ease.

**A Battalion Marching in Column of Fours Forming Open
Mass on the Left at Deploying Interval.**

C. O.: "At the Halt—on the Left—Form Open Mass at deploying interval."

Co'y Cr.: "No. Company—at the Halt—on the Left—Form Platoons."

Remaining Companies will disengage to the Left, and be led by their Guides to their position at deploying interval, when—

Co'y Crs. of remaining Companies will act in a similar manner; dress their Companies, if necessary, and Stand them at Ease.

**A Battalion Standing in Open Mass at Deploying
Interval Forming Line on the Left**

C. O.: "On the Left—Form Line—Remainder—Left Incline."

The leading Platoons of each Company will stand fast; Remainder will incline to the Left.

C. O.: "Quick March."

Leading Platoons will be stood at Ease by their Platoon Commanders. Remaining Platoons will step off and, when in rear of their position in Line—
