Ye shall receive power, when the Holy Ghost is come upon you, and ye shall say unto all men, Repent, and be saved, in order that ye may receive the gift of life. Acts 1:8.

The first message of the Holy Spirit is that He passed out of this world. He is not here, and we need His presence to live. He is not here, and we need His presence to live. He is not here, and we need His presence to live. He is not here, and we need His presence to live.

As the Holy Spirit is not here, and we need His presence to live, we must be sure that we are not giving the Holy Spirit a chance to enter our hearts. We must be sure that we are not giving the Holy Spirit a chance to enter our hearts.

The Holy Spirit is not here, and we need His presence to live. He is not here, and we need His presence to live. He is not here, and we need His presence to live. He is not here, and we need His presence to live.

we speak and act as if we had no faith in His power and love. Instead of witnessing for Him we say, "I know not this Man." "I know not this Man."

It is not by self-consciously thinking of our witness that we can improve it. It will only result in imitation and insincerity that "horrible caricature of religion" which we call "evangelism." The only way to show forth the power of His risen life is to be like the most disciples who "compared" with the Lord Jesus. We are not to be our own "evangelists" but to be like the most disciples who "compared" with the Lord Jesus.

How can anyone think of knowledge of us that we have been with Jesus, if we have not been with Him? Any attempt to convince the world that we have been with Him, if we do not walk with Him day by day, is hypocrisy. We can only show forth the power of His risen life by being like the most disciples who "compared" with the Lord Jesus.

lives for others. They faintly feel that they are following Christ, but they do not speak of it, because they are too humble to compare themselves with Him.

But if we go on, while they connect themselves with the Church, and with Christ, they do not speak of it, because they are too humble to compare themselves with Him.

As the world reflects the Church, the most important thing to do is to be like the most disciples who "compared" with the Lord Jesus.
