**Awards.**  
 THE Spramotor Co. desire to caution intending purchasers of spraying apparatus against the misrepresentations of a certain concern in Canada who claim to have won a contest against the Spramotor in Manchester, England, and St. Petersburg, Russia, when no such contests took place. The only contest ever held was under the auspices of the Board of Control of the Fruit Experimental Stations of Ontario, which was held at Grimby, April 1st and 2nd, 1897, at which the Spramotor was awarded first place against the best America could produce.  
 THE SPRAMOTOR CO. will forfeit \$100 to the Red Cross Fund if a superior award has been granted to any spraying machine other than the Spramotor, anywhere in the world where the Spramotor was exhibited.  
 Over 100 medals and first awards have been granted the Spramotor since 1895.  
 Used by the San Jose Scale Commission, Ontario Government, during the winter of 1899 and 1900.  
**Certificate of Official Award.**  
 This is to certify that at the contest of Spraying Apparatus held at Grimby under the auspices of the Board of Control of the Fruit Experimental Stations of Ontario, in which there were eleven contestants, the Spramotor, made by the Spramotor Co., of London, Ont., was awarded first place.

**The Gem Sickle and Tool Grinder.**  
 In the hands of a boy alone will sharpen any mowing-machine knife made in ten minutes, and do it right. A grindstone and two men won't do it in an hour—not right. It will grind anything that can be ground on a grindstone, and many things that can't, and do it quicker, easier, and better. It's fitted with stones that cut, and on which you can't spoil the temper of your knives or tools. It's made by emery-wheel people—people who furnish emery wheels, corundum stones and grinding machinery to manufacturers—people who ought to know how. There's not room here to tell its good points—it has too many. Catalogue free—it tells the rest. With one stone each for tools, sickles and saws, it sells at \$7.50, and it's worth more. Address:

**FREEMAN'S Three-Ply Ready Roofing**  
 ... EASILY APPLIED ...  
 Great Reduction in Prices. Send for Price List, etc. Parliament Buildings, Toronto, October 20th, 1898.  
 THE W. A. FREEMAN CO., 57 Ferguson Ave., South, Hamilton, Ontario.  
 Gentlemen,—Nine years ago I purchased from you a large quantity of material known as Freeman's Ready Roofing, with which I roofed the north half of my barn and two sheds, 66x20 each. This year we re-painted this roof and found it in excellent condition. A shingle roof put on part of the barn two years before was badly in need of repair. I shall hereafter use your ready roofing on all my out-buildings. Yours truly,  
 (Signed) F. W. HODSON.

**Aylmer Sprayer**  
**Our Offer:**  
 It is now universally acknowledged by the fruit-growing community that the Aylmer Sprayer leads. During the past two years the Aylmer has won first place at every contest at which it was shown, receiving the Jubilee Diploma at Toronto Industrial Exhibition; also first place at St. Petersburg, Russia, and other exhibitions.  
 The General Public not being in a position to select the best spraying pump, we make the following offer: If you are a responsible party, we will ship you the Aylmer Sprayer to thoroughly test in competition with any other known make, and if the Aylmer is not found the most satisfactory, it may be returned at our expense, thus giving you the opportunity to judge from actual experience which is the best sprayer manufactured, no matter what anyone tells you. Agents wanted. Mention this paper.
