Resolution of Branch 34, Almonte, on the Separation Question. At the regular meeting of Branch 34, Almonte, Ont., held 3rd Nov., 1891...

DEAR BROTHERS—After careful consideration and full discussion of the question of total or partial separation from the Supreme Council, we are of the opinion that we must choose one of the four following courses:

1. Continue as we are. 2. Separate into two branches. 3. Limited separate beneficiary. 4. Total separation.

At the last meeting of the Supreme Council we find that the following addition, embodied in the above, was attached to the article:

And also of the Spiritual Adviser, all Supreme Chancellors, Supervising Medical Examiner and Supreme Legal Adviser.

A Suggestion Worth Considering. St. John, N. B., Nov. 7, 1891. Editor Catholic Record, London, Ont.:

DEAR SIR AND BROTHER—Is there any possible plan by which the members of the Catholic Order of Foresters and Catholic Mutual Benefit Association could be united into one body on this continent?

all the good features in both bodies and at the same time retaining to those who may happen to be members of both the rights and privileges already enjoyed by them.

As the Grand Institution we could obtain a foothold in every parish, and not only so, but being in every parish, we could have a strong opposition to each other, all being children of the one mother, our holy Church.

Why should we Catholics on this continent not be able to have at least one institution to strip in numbers and influence any of those outside of our own country?

Trusting that between now and the time of our next Grand and Supreme Conventions, this matter will be more fully and ably discussed and that some action will be taken to unite us all under one banner.

The matter to which Brother O'Keefe draws attention is, we think, one deserving the serious consideration of our members. In unity there is most certainly a vast deal of strength, when certain rights are safeguarded against centralization.

At the regular meeting of Branch 34, Almonte, Ont., held 3rd Nov., 1891, the following resolution was unanimously adopted:

IRISH AFFAIRS.

Mr. McDermott, nephew of the late Charles Stewart Parnell, on the 2nd, publicly whipped Timothy Healy, M. P. The horse-drawn carriage used by the latter on Sunday last, when the late Parnell was carried to the hospital, was the property of the late Charles Stewart Parnell.

Mr. Healy, speaking at a league meeting in London, denounced Mr. Parnell's remarks at London as a disgrace to Irishmen. On the announcement of the result of the election, the audience rose and fervidly cheered Mr. Parnell.

Mr. Dillon, speaking at Templemore, Tipperary county, on the 5th, said that Irishmen the whole world over are proud of the name of Parnell, and that the people of Cork had performed a noble deed in supporting Mr. Parnell.

Mr. Gladstone has written a letter for publication in reference to the statement of the Chancellor of the Exchequer, Mr. Goschen, in which the latter is credited with saying that Mr. Gladstone negotiated with the Irish in 1885.

for long hope; but his ambition has overleaped itself. He has grasped the shadow and lost the substance. He will probably ask Wexford to take his seat, but he will not be seated.
