Encouragement to Prayer.

Si Walter Raleigh, one day asking a fayour om Queen Elizabeth, the latter said to him: " Raleigh, when will you leave off begging?" to which he answered, "When have been often convicted of sin without be your I'ajesty leaves off giving!" But think how much more bountiful God is, who did not give over granting Abraham his request ceiving " with meckness the ingrafted word for Sodom till he left off asking. And who which is able to save your soul?" If so, can tell but that if he had gone on and pravthen yours is an alarming state. You are ed that if five righteous persons had been passing through that process which has con- found in Sodom, the city might have been verted many a tender heart into a heart of spared for their sakes, according to his resied. Of inis process there are many illus- quest. Can we think that God will hear trations. The young physician is excited, the young ravens when they cry, and negperhaps digusted, the first time he witness- leet the doves that mourn in the valleys? the subject. I know that I am a list samer, as a dissection; but he will seen use the that he will hear the young here when they sus Christ—I feel persuaded that when I see the least emotion. The young soldier, the sheep?—that he will hear Hagar and when he first trends the heath and I have I ha when he first trends the battle-field, is fill- her Ishmael, that cry unto him in their exed with fear and trepidation; but in the tremities, and will yet turn his back upon course of time the claugour of the war-trum-pet is to him the sweetest music; and the field of his higher glory, is the field of blood the name of his dear Son, Jesus Christieand emmage. And in a smaller way, the Undoubtedly not. St. Ambrose was went heart that melts under the preaching of the to say, the better to comfort Monien, the gospel, and that is indices at the word of the funder of St. Augustine, who prayed much hold, becomes a a red as the thirt, and as for him, "It is impossible that a sen of so And an case, and more, was said with a mainpressible. This side is gained by slow many prayers and tears should perish." As sinces. Satan does not permit the Louis to Henry, therefore, as God gives us a heart to effend the judgment, by a filer too time! . . : pray I r may morely. Let us not be out of yet with a cool deliberations which made me fiel that the in n was a my stery. As replacing before him the rathess of the residual.
