HOW TO SECURE THE GUIDE PATTERNS

To secure any of the patterns published in The Guide, all that is necessary is to send ten cents to the Pattern Department, Grain Growers' Guide, Winnipeg, and state the number of the pattern, giving bust measure for waist patterns, waist measure for skirt patterns, and the age when ordering patterns for Misses or Children. It will require from ten days to two weeks to secure these patterns as they are supplied direct from the makers. No new worker need be nervous or afraid to use The Guide patterns. They are accurate and perfectly and plainly marked. Full directions for making are given with every pattern you buy; also the picture of the finished garment to use as a guide.

goods will remove ink spots from colored fabrics without injuring the color.

Try rubbing suede slippers and gloves gently with fine sand paper to lift the flattened pile. If properly done, it will restore original velvety appearance.

Soap, Hard and Soft.—Save and keep free of dust, all scraps of fat and drippings. Dissolve a freshly opened can of lye in nine times its weight of water. To every pound of lye have eight pounds of fat. Heat lye and water in one vessel and fat in another. When both are quite hot, pour the lye mixture into the hot fat

stirring vigorously with a wooden spoon or stick. When the mixture is well stirred, bring to a boil and let simmer gently until of a uniform consistency. Stir constantly and when well blended pour into papered pans. Let cool and cut into squares and set away to dry. Do not boil so long for soft soap.

THE WASHERWOMAN'S SONG

In a very humble cot,
In a rather quiet spot,
In the suds and in the soap,
Worked a woman full of hope;
Working, singing, all alone,
In a sort of undertone
"With the Saviour for a friend,
He will keep me to the end."

Not in sorrow nor in glee,
Working all day long was she,
As her children, three or four,
Played around her on the floor;
But in monotones the song,
She was humming all day long:
"With the Saviour for a friend,
He will keep me to the end."

It's a song I do not sing,
For I scarce believe a thing
Of the stories that are told
Of the miracles of old;
But I know that her belief
Is the anodyne of grief,
And will always be a friend
That will keep her to the end.

Just a trifle lonesome she;
Just as poor as poor could be;
But her spirits always rose,
Like the bubbles in the clothes,
And, though widowed and alone,
Cheered her with the monotone
Of a Saviour and a friend
Who would keep her to the end.

I have seen her rub and scrub
On the washboard in the tub,
While the baby, sopped in suds,
Rolled and tumbled in the duds,
Or was paddling in the pools,
With old scissors stuck in spoons,
She still humming of her friend
Who would keep her to the end.

Human hopes and human creeds
Have their root in human needs;
And I would not wish to strip
From that washerwoman's lip
Any song that she can sing,
Any hope that songs can bring;
For the woman has a friend
Who will keep her to the end.

TABLE OF MEASURES

Two tablespoonfuls of butter make one ounce.
Four tablespoonfuls of flour make one ounce.
One cup of flour is equal to one pound.
One cup of butter packed solid equals one-half pound.
One cup of granulated sugar weighs one-half pound.
Five medium eggs without shells make one-half pound, or four with shells weigh one-half pound.
One cup of chopped meat packed solid weighs one-half pound.
One cup of milk or water is equal to one-half pound.
