**For You
And Your
Children**

In almost every home, whether it be mansion or cottage, the same parental care exhibits itself. "What of the Children?" As parents, is there anything we can do for the children in the early stages of life whereby we can help our offspring at the time when they launch out to fight life's battle? That is the thought which occurs to most of us. And this reflection always leads up to money. We must make some provision while we are able, either in property, actual cash, or preferably some good, safe investment. An investment that will return year after year a good interest on the capital laid down is the one that appeals to us all.
