The Star representative immediately called at the bracelet and to the maid of honor a hotel where the United Mine Workers officials are guests and was received by President McDougall, and Messrs. one going ashore. Bonsfield and Patterson. When asked several substantial checks. Mr. and if the board had reached a decision in regard to the matter in dispute Mr. McDougall said that they were not at present prepared to make any statement for publication. He stated that daughter of Mr. and Mrs. as soon as they had received certain information from headquarters, a complete statement of the position taken by the United Mine Workers and their intentions would be drawn up and given to the press for publication The Star had a brief interview with Mr. McDougali last evening and in speaking of the meeting of the board he said they were awaiting answer to a telegram sent President Lewis in Indianapolis and that there would be nothing for publication until an answer to that message had been received by the board. It is not known what the telegram in question referred to, but as the decision of the executive board is withheld until an answer has been received from President Lewis of the United Mine Workers of America It nust have been a most important one to effect such a decision. It was gath ered from the remarks of the officials that the board will not likely be in a position to make a public statemen ntil this afternoon or later. The officers and members of the board are very reticent in regard discussing their meeting and will talk on any subject but that of most interest to the miners and citizens at pres-It was rumored last night among

some of the local labor men that there was considerable dissension among members of the board, and that a majority were not in favor of their calling a strike at the present time. This, of course, is only hearsay and upon your correspondent asking one of the United Mine Workers men in regard to the report, he refused to discuss the meeting in any way. The board members will meet here again this afternoon, to receive the message from President Lewis, when the board will then make public its decision, in regard to the present difficulty with the Dominion Coal Company, and will announce either its intention to strike or recede from its position Should the decision be that the

NINE

United Mine Workers go out on strike at the collieries of the Dominion Coal Co., it is likely an ultimatum will at once be sent to the general manager of the Dominion Coal Co. Upon the company's refusal to entertain any of the proposals made by the United Mine Workers, the latter will then very likely serve the company with the required ten days' notice of their intention to strike.

The Dominion Coal Co. will not entertain any proposition submitted by the American Union, and are prepared to resist any attempt on the part of any one to interfere with their or workmen.

Former New Yorker Condemned by Default for

Auto Collision

PARIS May 4 .- James Hazen Hyde, of New York, former president of the Equitable Life Assurance Society, and his chauffeur, Ladwice, were today condemned by default, Mr. Hyde to one month's imprisonment and a fine

a public taxicab last October and injuring a passenger. The complainants charged that after the accident Ladwice sped away.

after an accident is a special offense. At present Mr. Hyde is on an automobile trip in the Riviera.

## Don't You Sleep Well?

Better Correct Matters Before Nerves and Health are Shattered

Without sleep there can be no bodily or mental vigor, consequently sleeplessness is a dangerous condition. Nothing so surely restores sleep as Ferrozone; it's harmless-just a nousishing, strengthening tonic. Ferrozone vitalizes every part of the body, makes the nerves hardy, completely rebuilds the system.

The cause of sleeplessness is removed-health is restored-you can work, eat, sleep-feel like new after using Ferrozone. Don't put off-get Ferrozone today; it does cure insom-

with their tows, coal-laden for Provi-They had barely gotten outside the harbor when they encountered the gale. When off Branford, the hawsers parted and their tows went adrift, four of the barges later sinking and

PROCEEDINGS OFF

TORONTO, May 4.-Action against the Ontario Bank directors brought by the shareholders are rendered null by the death of Donald Mackay, one of the defendants, Counsel says actions will be revised at the earliest possible moment, which is after Mackay's will is admitted to probate, when motion will be made to substitute the executor of estate for the testator.

NEW YORK, May 4-With sporadid rioting unabated, the strike of 1,500 bakers on the East Side and in Harlem continues apparently with no hope. of a settlement. There were frequent attacks on shops employing non-union men and many clashes between strikers and strike-breakers today. No one was seriously injured, however. Thirty-five shops on the East Side have shut down for lack of men, and the unionists announce that several master bakers have agreed to the union terms, which fix a minimum wage scale and provide for improved sanitary conditions. The strike has not appreciably affected the city's bread supply,
