WANT AD HOROSCOPE

A peculiarity of children born on this date is that, while they are extremely comfortable and happy at night, they are inclined to unreasonable fears, fretting and distress of mind. These children must be carefully nurtured and never suddenly frightened, as their nervous system is very highly strung and they need more calmness and repose than the average child. A person born on this date will do well to marry a person having a birth date falling between February 19 and March 20. Much happiness will come from such a union. Many eminent scholars and writers were born under this sign, being highly imaginative and strongly individual. The planets favor all consummations of sales, which may have been brought about by a Want Ad. The Lost and Found Column is favored and rewards will be given. Automobiles will be advantageously disposed of through a Want Ad.
