MEATS DROP IN PRICE ON MARKET

General Downward Trend Was Noted this Morning.

There was a large attendance at the weekly market this morning and as a result prices were changed considerably. Meats took a drop in price, but vegetables remained firm. The last maple syrup of the season was offered at \$1.50 a gallon. This the vendors stated would be the last as all the pails have been gathered in. To-day's quotations were as follows:
