### HORSE THIEF

**P. C. Dezella Arrests an old Offender and hands Him over to the Windsor Police**

P. C. Dezella made \$20 last night and he deserves the money. After considerable clever detective work the officer located and arrested Chas. Johnson, the Windsor horse thief. Johnson led the Windsor police a merry chase. He stole a horse and rig in the border town. Sgt. Jack-son, of the Windsor force, got on Johnson's trail near Wheatley and came upon him walking along the road. Sgt. Jackson, who was driving in a buggy, offered Johnson a ride. The latter refused and bolted. The Windsor horse thief hunter opened fire and a posse of farmers joined in the pursuit, but Johnson got away.

Sgt. Jackson was notified of the arrest and came up last night and took the man back to Windsor. P. C. Dezella will get the \$20 reward offered for Johnson.  
Chief Holmes remarked this morn-ing that Johnson was the first criminal he had to deal with when he was nominated Chief of Police. He went to Sarnia to bring Johnson back for trial here on a charge of horse stealing. The natural born horse taker had been working at the Idlewild Hotel and stole a horse from John Hendershot. He took it to Marine City and disposed of it. P. C. Dezella located the fellow in Port Huron jail and he consented to go to Sarnia at the conclusion of his sentence. For this crime he served two and a half years in the Central Prison and was only released a short time ago.
