### Westmorland Election.

SHEDIAC, Dec. 12, 1870.

TO THE EDITOR—SIR: Since the presentation of the Address to me, from the Electors of this Parish, and its publication, I beg to acknowledge, through your paper, the receipt of requisitions from William Allan, William Wells, Joshua Tingley, Silliker Allan, Joseph Read, and many others, Electors and Farmers of the Parish of Botsford; and from Willard T. Smith, William Yeats, Thomas Scurr, William Crowdian, Dominick P. Lordly, Simon Augustan White, and many others, Electors and Farmers of the Parish of Dorchester, asking me to become a candidate at the approaching election, and pledging their support. For the confidence thus expressed, I return my heartfelt thanks; and have to say, should I be elected, that my best energies will be devoted to promote the general interests.

I am, &c.,
W. J. GILBERT.

## ELECTION CARD.

To the Electors of Westmorland:

GENTLEMEN—At the request of many friends, I am again a Candidate for your suffrage. I much regret that, owing to the early approach of Election and my numerous engagements, it will be impossible for me to wait upon you personally, as the importance of the issues involved in your contest demands; but, should I be honored with your confidence, you may rest assured that the best interests of every section of the County will receive my personal and unremitting attention. As our representative, I shall, by the strictest economy in the administration of the Government and expenditure of the public money, and by every other available means, endeavor to obtain the construction of such Roads and Bridges as the requirements of the County may demand, and such appropriations for the great and lye routes of travel as may be in the power of Parliament to grant. I shall also, to the best of my ability, endeavor to obtain the reduction of such taxation as I consider oppressive, and I shall religiously abide by the instructions entrusted to me, and at all times use my best exertions to guard and secure the rights or our people, and whatever, in my opinion, the educational and other interests of the County, or any section of the County, may require. I am, Gentlemen,

Your obedient servant,
D. L. HANINGTON.

Dorchester, Dec. 6th, 1870.
