BRANTFORD "SHORT."

Toronto Professionals Won on Saturday Night.

Toronto, March 2.-Although the cham pion Torontos won from Brantford by 12 o 3 on Saturday night, the Miln aggregation might have had twenty goals instead of the even dozen which were slipped past Meade. The Brants put up a stubborn resistance for about half the journey, but when it came to the pinch they were "short," and the locals ran away from them. The score at half-time was 3 to 2 in favor of the locals, and shortly after the beginning of the second half Roy Brown's men tied up the tally, but from that moment to the end of the game the Torontos were going away. The teams: gation might have had twenty goals in

BEAT THE Q, O. R.

The XIII Officers Won Indoor Baseball Match.

The officers of the Queen's Own Rifles came to this burg on Saturday evening with the avowed intention of handing the officers of the 13th a large and juicy lemon in the indoor baseball game, but though their intentions were good, they were unable to deliver the goods. The Queen's Own officers are the champions of the Officers' League in Toronto, but the brand of ball they put up here on Saturday night at the Drill Hail was not of high enough calibre to scare the boys of the red coats. In the fifth inning the 13th made 11 runs, and then they only were warmed up to a good start when the ninth inning came round. The score was:
